

Forms of Climate Injustice

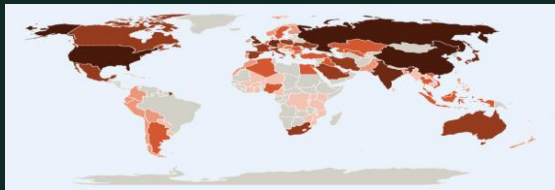

Yannis Dafermos | SOAS University of London

SOAS
University of London

1

Compensatory
injustice

2

Distributive
injustice

3

Procedural
injustice

4

Exposing by
self-protecting

5

Decarbonising
by exploiting

6

Climate
derisking

General forms of climate injustice

Finance-specific forms of climate injustice

Imagining a Globally Climate Just Financial System

Pillar I

**Differentiated Responsibilities
between Global North and
Global South financial
institutions**

Pillar II

**Alignment of Global North
financial institutions'
mitigation actions with
climate justice**

Imagining a Globally Climate Just Financial System

Pillar III

Permanent Climate Justice Financial Mechanisms

Perpetual climate
justice loans

*Global
South*
