There is a very interesting seminar next week which you may all be interested in attending:

We are pleased to invite you to the GLOBE Book Event: *Cash, Clothes and Construction: Rethinking value in Bolivia's pluri-economy* by Professor Kate Maclean on **Tuesday, 5th March 2024, 5 – 7pm.**

This event is based on Professor Kate Maclean's book [Cash, Clothes and Construction: Rethinking Value in Bolivia's Pluri-Economy](#) and presents the first gender-based analysis of “pluri-economy,” a central pillar of Evo Morales’s *Movimiento al Socialismo* (MAS) in Bolivia to overthrow neoliberalism and decolonise politics and economics. Centering the perspective of the indigenous women who have transformed Bolivia’s economy from the ground up, Professor Kate Maclean evaluates the potential of MAS’s vision to embrace feminist critiques of capitalism and economic diversity.

Professor Maclean will be joined by discussants, Professor Ann Stewart, Professor Dalvinder Singh and Dr George Meszaros. The event is chaired by Dr Serena Natile.

This event is a hybrid event which will be taking place both in-person - in OCO.01, Oculus Building and online. Please do register [here](#) and we will share the link with you.

We look forward to seeing you there!
