Dear LLM students,

I hope you enjoyed the Welcome Week and the start of teaching this week.

Just a reminder of a few things:

### **PG Student Hub**

There is a great deal of useful information about your teaching and learning on the PG Student Hub

<https://warwick.ac.uk/fac/soc/law/student-hub/welcome/pg/>

For further inquiries please visit the Law School Reception or email: [postgraduate.law@warwick.ac.uk](mailto:postgraduate.law@warwick.ac.uk)

### **Staff Student Liaison Committees**

Staff Student Liaison Committees (SSLCs) constitute an essential part of the postgraduate programme. The committee includes representatives from students elected for each course to represent that student body. Student representatives are able to raise any matters relating to the course of study in this forum. These will be addressed by the Law School initially via our Director of Student Experience, Rebecca Munro, our LLM programme directors, and also via discussion at the Postgraduate Committee.

SSLC members attend all appropriate School committee meetings. We hold an SSLC meeting each term enabling SSLC Representatives to raise and discuss any issues that arise with the Director of Postgraduate Studies, the LLM programme directors and members of the Student Services team. For more information visit the [SSLC pages](#) of the Student Union website.

We encourage you to run for election as a Course Representative in the first few weeks of term 1.

Please see the link to the SSLC posts available here: <https://www.warwicksu.com/student-voice/elections/posts/2456/>

Please register your interest in becoming a student representative on the Student Union website or email Student Engagement Team on: [Law.se@warwick.ac.uk](mailto:Law.se@warwick.ac.uk)

## Residency and attendance requirements

Please note that there are residency and attendance requirements for all students. Please see the full University advice below:

<https://warwick.ac.uk/study/international/immigration/faqs/currentstudentfaqs/>

Under Section 2 it sets out the attendance requirements under the University regulations:

It requires registered enrolled Students on Full Time, Residential courses to be in attendance at the University of Warwick during your Term Time. **Unauthorised absence may have an affect on your Student Visa.**

You can only be absent from the UK during your Term Time during the following periods (see full details at:

<https://warwick.ac.uk/study/international/immigration/faqs/currentstudentfaqs/>

These include:

Any period where the University is shut, such as the Christmas Break - **This will not affect your Student Visa**

Any period of Authorised Absence granted by your Department under the University of Warwick Authorised Absence Policy - **This will not affect your Student Visa**

Any period of Change of Study Location granted by your Department under the University of Warwick Change of Study Location - **This will not affect your Student Visa**

Any period of absence granted by your Department under the University of Warwick Mitigation Policy - **This may cause your visa to be curtailed, depending on the circumstances**

Any absence during your term time that does not fall under the above will be treated as an Unauthorised Absence, which could lead to your withdrawal from the University of Warwick - **Outside of your term time, you have no requirement to be in the UK.**

If you have any questions about these or any other issue please email: [postgraduate.law@warwick.ac.uk](mailto:postgraduate.law@warwick.ac.uk) and your Programme Director:
