PHD Research Request

If you are interested in helping out a PHD student, have a look at this survey request.

As part of my PhD thesis at the University of Exeter, I am undertaking an online survey of the factors influencing aspiring solicitors' decisions not to specialise as criminal defence solicitors in England and Wales after graduation. The survey should not take more than 10 minutes of their time, and there is the incentive of a prize draw with a chance to win one of £50 Amazon vouchers. The survey can be accessed via the following link or the QR code:

Interesting stuff!

Enjoy your Easter Break - I hope to see some of you on Thursday

Best wishes Maggie and Daniel
