Audit Full Time Graduate Roles with One of the Big 4

-Register your interest and be the first to hear when applications open-

Company:	One of the Big 4
Role:	Audit Analytics Graduate, IT Audit Graduate
Locations:	London, Birmingham, Manchester - All hybrid working
Salary:	Competitive
Start Date:	September 2026
Registration Deadline:	31/01/26

One of the Big 4:

- Sanctuary Graduates & Apprentices are working with one of the Big 4 as the recruitment partner for their Audit Analytics Full Time Graduate Role.
- The company provide a range of professional services to numerous industries, including audit and assurance, consulting and financial advisory and are the largest accounting firm in the world to do this.
- From helping transform organisations, protecting financial markets or working with governments to support societies, there is no end to the impact they make each day.

The Roles:

IT Audit: As an IT Auditor, you will play a critical role in assessing the effectiveness of technology systems used for financial reporting and key performance indicators. You will delve into the intricacies of business operations, identifying and evaluating the risks associated with technology usage. You will also develop a deep understanding of auditing cybersecurity processes and the application of emerging technologies like AI and robotic process automation.

Manchester – Register here:
