

PH355 – This is not a take-home exam and it does not cover all topics...

but it is indicative of some of the sorts of questions you might get with regard to topics and typical focus of questions.

Explain and critically evaluate the structure of a 'forward-looking' account of authenticity.

If Leander cannot articulate the knowledge he uses in swimming the Hellespont, does this mean that what he knows is know-how?

Explain and evaluate the role of 'placeholders' in Carey's conception of Quinean bootstrapping.

Explain the differentiation of abilities between pupil and teacher in Meredith Williams' model of learning. Evaluate her account of how the trajectory of learning is accomplished.

What does Dewey mean by a 'problem'?
