

RESEARCH PARTICIPANTS NEEDED

Do you have a physical disability?

Are you 18-30 years old?

Do you live in the West Midlands?

Are you from a socially disadvantaged background?

Are you not currently in education, employment or training?

We would love to hear from you if you answered 'yes' to all the above questions.

We are a team of researchers at the University of Warwick who are interested in better understanding the role that disability and social disadvantage have on young people's educational and employment experiences.

Taking part would involve a one-hour interview face-to-face, online or over the phone.

You will be given a choice of a £20 'Love to Shop' or high street supermarket voucher, to thank-you for your time.

If you are interested in taking part or would like to find out more, please contact Dr Angharad Butler-Rees at angharad.butler-rees@warwick.ac.uk or phone +44(0)2476 522 034.
