Yes, claim Gift Aid on my donation(s)

Date:

I am a UK tax payer and want the University of Warwick to claim Gift Aid on all donations I make on or after the date of this declaration. I confirm I have paid or will pay an amount of income tax and/or Capital Gains Tax for each tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand that the University of Warwick will reclaim 25p of tax on every £1 that I give. Please notify us if you: • Wish to cancel this declaration • Change your name or home address • No longer pay sufficient tax on your income and/or capital gains. If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self Assessment tax return or ask HM Revenue and Customs to adjust your tax code.

Your data is securely held by the University's Development Office and will be used to carry out the ongoing business of the University. For further information on Data Protection or to withdraw from communications contact devservices@warwick.ac.uk.
