

Stellenbosch-Warwick Joint Seed Fund 2024/25: Awards

The Stellenbosch-Warwick Seed Fund is designed to flexibly support Stellenbosch and Warwick researchers and professional service staff to establish new links and advance existing collaborations, by enabling activities such as: organisation of virtual, hybrid or in-person workshops, conferences, symposia; preliminary research, experiments and pilot studies; meetings to facilitate planning and development of external funding proposals; reciprocal or non-reciprocal visits to establish new collaborations.

Projects from this round start on 1 August 2024 and complete activities by 31 July 2026.

The award value is £5,000 from Warwick and ZAR100,000 from Stellenbosch

In the 2024/25 call a total of 6 awards were made.
