Steps Towards Sustainable Creative Work

Chris Bilton, Creative Industries Lead, PFoW GRP
(Centre for Cultural and Media Policy Studies, Warwick University)
Steps towards sustainable creative work

• Creative industries as ‘good work’ and ‘bad work’
• Covid-19 – exposing the gaps
• Future strategies
  • Fair trade agreements for freelance creative work
  • Embracing the hyper-local
  • Education and training
Our research on creative work

• ‘Realities and Dreams: culture under covid’ - podcast on experiences of musicians, freelance theatre makers, community artists
• ‘Artists with Benefits’: webinar and podcast – can the benefits system lead to a fairer and more sustainable creative economy?
• Forthcoming round table on post-Covid recovery for the creative workforce in the West Midlands
