

# Sustainability and EDI (Equality, Diversity and Inclusion) in

*Establish RSEs as part of the solution to creating sustainable and inclusive large-scale research software projects*

Promote roles for RSEs  
at different levels of  
experience

Engage RSEs in the  
project and raise profile of  
RSEs in R community

Heather Turner

Establish myself as a  
critical contributor to the  
R project

Build RSE network at  
Warwick and provide  
data science support
