Fees for student mobility

Students who are intending to spend either a term or a full-year on a student mobility programme for 2020-21 will be charged the standard 15% of the relevant fee as set out below. This will apply if due to the Covid-19 restrictions you are now spending part of your planned year at Warwick, distance learning with a partner university, or engaged with an internship programme at a business.

If your circumstances change and you revert to a standard three/four year degree with no study abroad element, the standard relevant undergraduate fee will apply
