

FAMILY TRAIL

SCULPTURE PARK

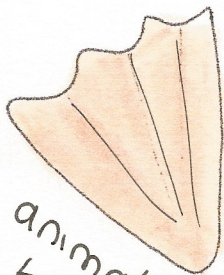

Laura Ford - Days of Judgement (Cat 1)

is deep in thought. like if he would he look what was very happy? or excited?

draw it here.

Laura ford makes sculptures. She tries to show human emotions and weaknesses. animal to show

FABULOUS

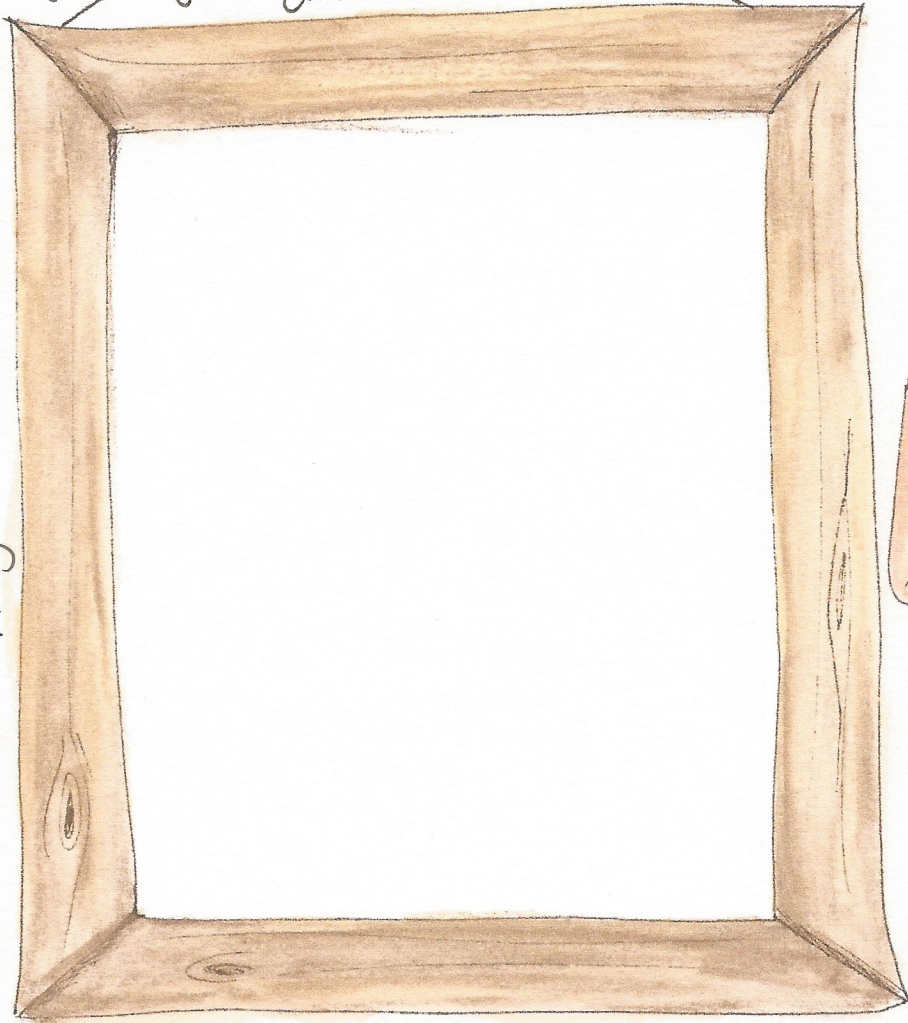

FESTIVE

Laura Ford's Days of Judgement (cat 1)

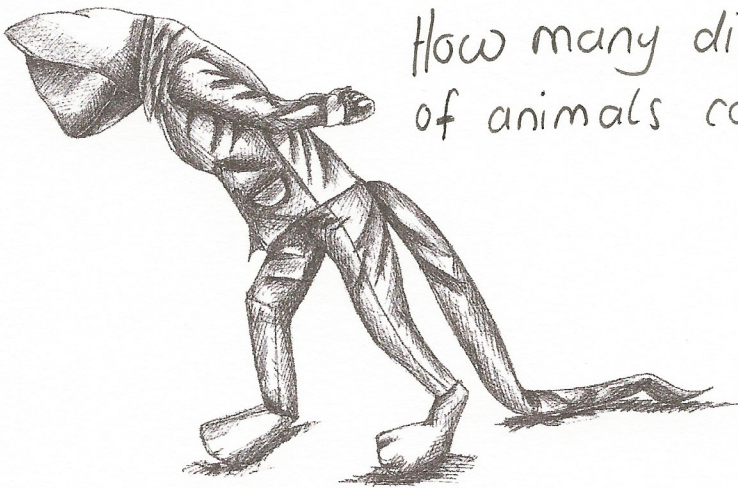

is a sculpture that is made up of lots of animals...

A cat's head, a man's body, duck's feet and a rat's tail!

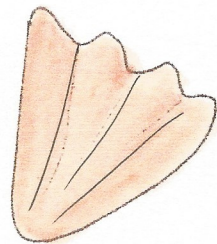

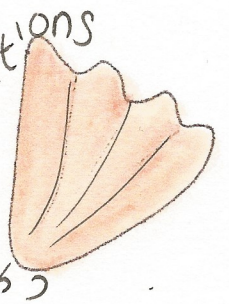

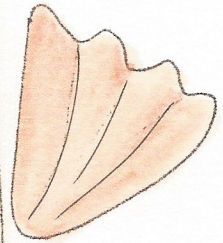

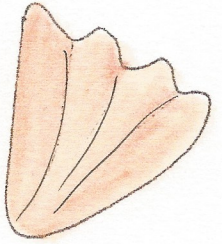

If you could make up a sculpture of different animals what would it look like?

draw it here ↓

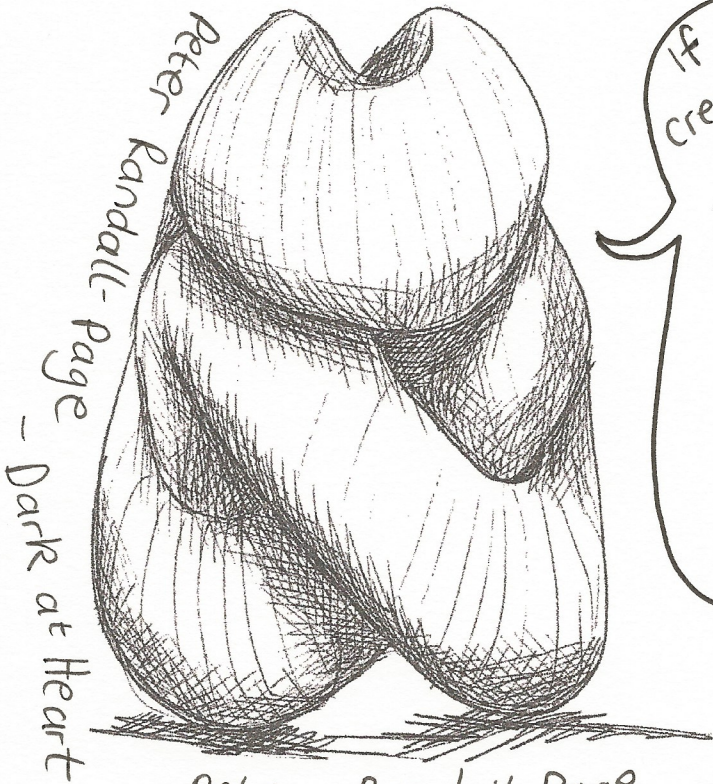

How many different combinations of animals can you come up with?

FAMILY TRAIL

SCULPTURE PARK

- Dark at Heart

Peter Randall-Page often draws pods, seeds and fossils before he makes his sculptures.

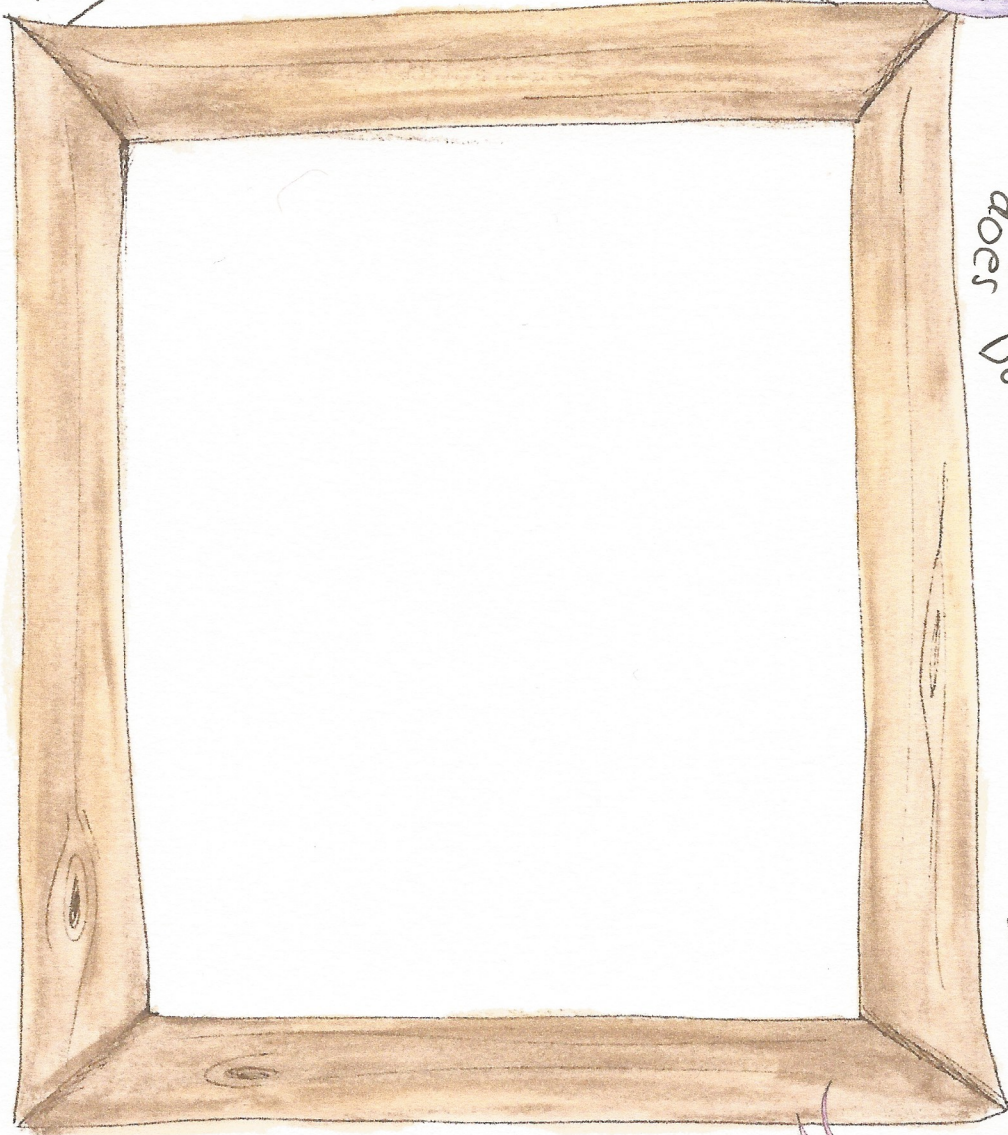

If this was a fossil, what creature is it a fossil of?

draw it here.

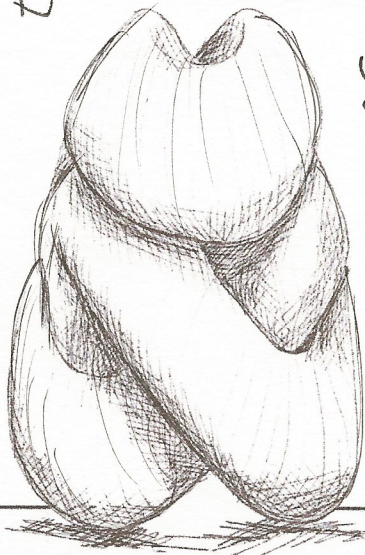

FABULOUS

the top of Dark at Heart looks like a nest
what animal do you think might live there?

what
else
does
Dark
at
Heart
remind
you
of?

You could make similar
sculptures at home
using salt dough
or plasticine.

FAMILY TRAIL

SCULPTURE PARK

what planet do these sculptures
come from?

draw it here.

FABULOUS

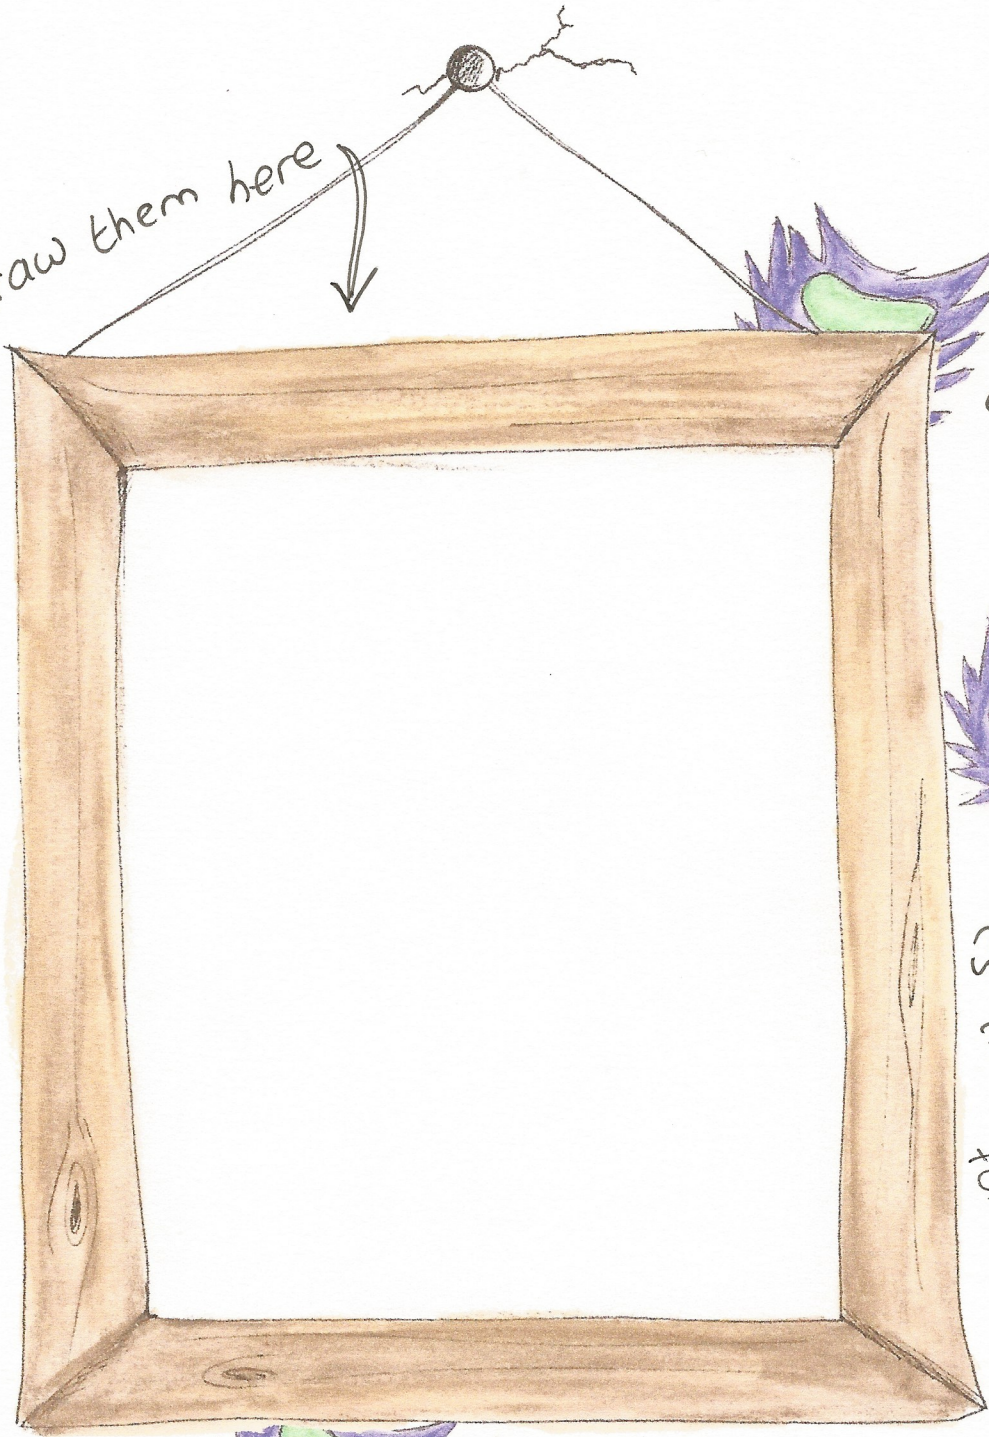

FESTIVE

Arsuo Okamoto - forest 2011 - 3 Planet
forest 2011 - 2 Planet
forest Planet 3

Atsuo Okamoto made holes in his sculptures that look like air holes.

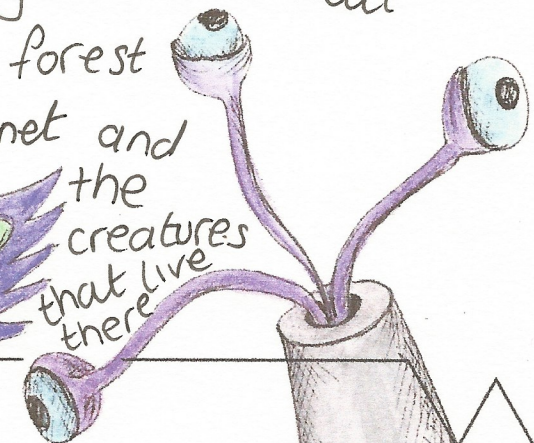

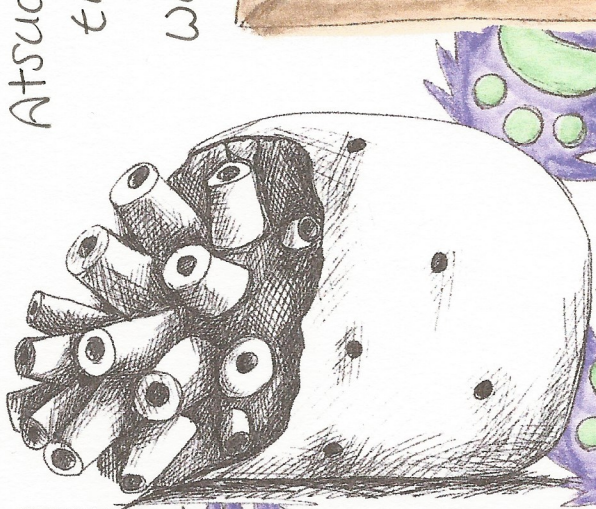

What creatures do you think live inside?

draw them here

do you think different creatures live inside the forest planet sculptures? what are they called?

You could make a guide book about your forest planet and the creatures that live there

FAMILY TRAIL

SCULPTURE PARK

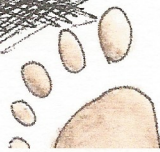

David Nash make sculptures from trees
He wants creatures to live in this one so
it's a bit like a tree house!

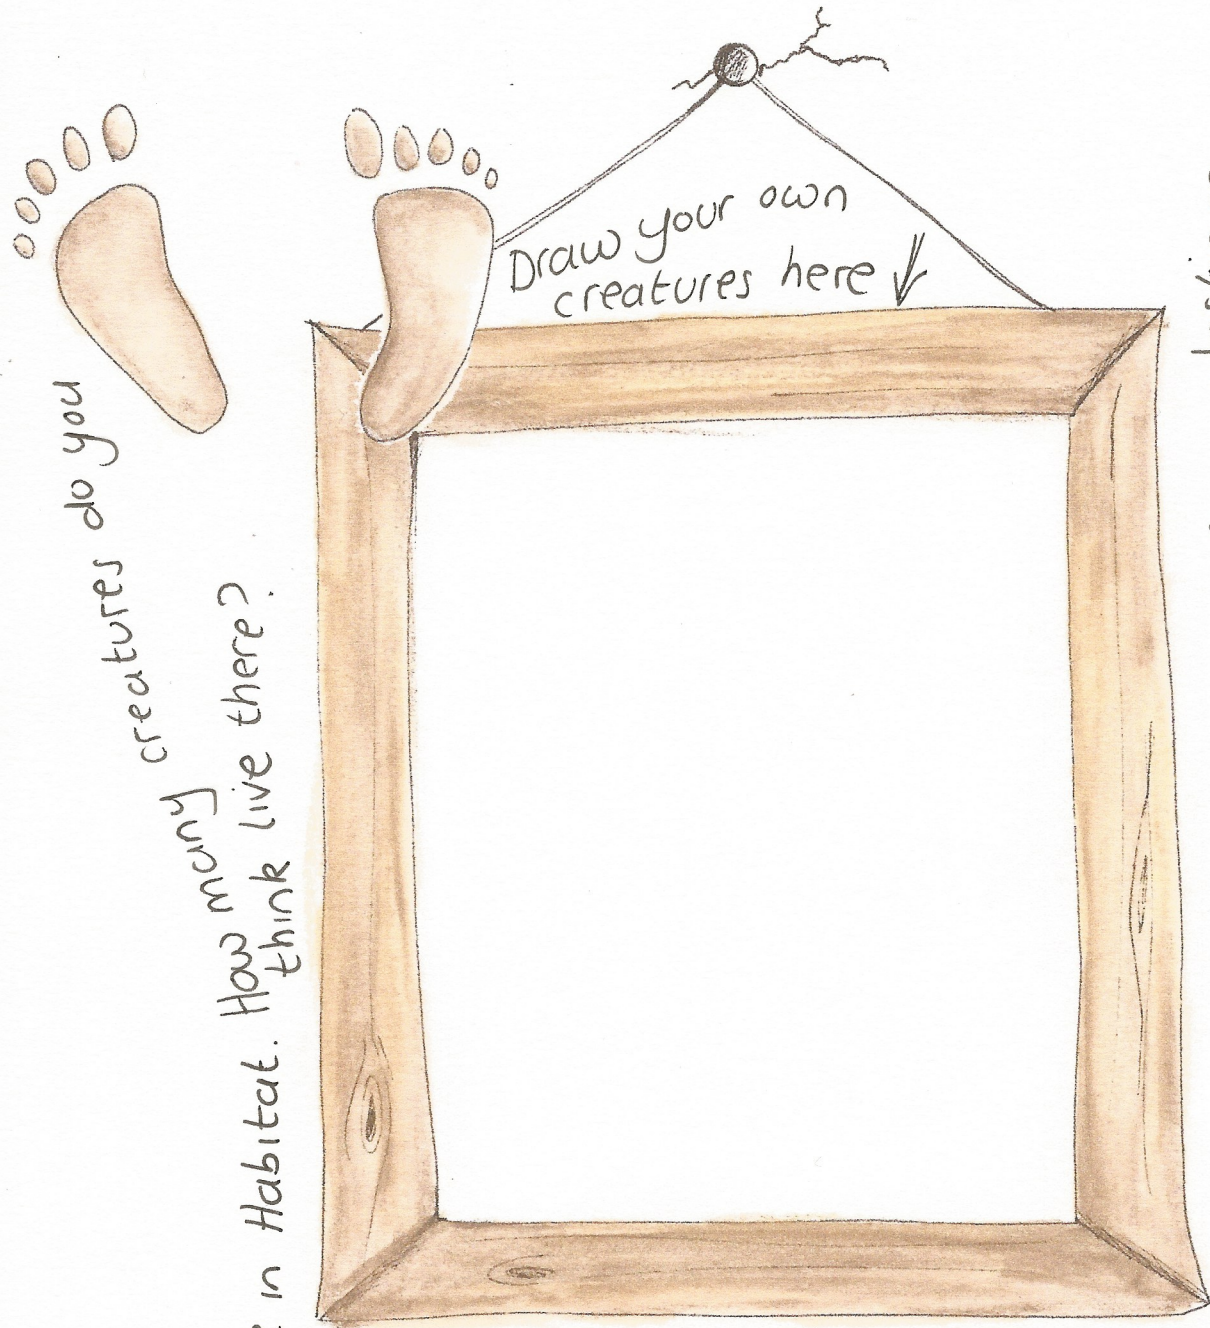

Draw your ideal tree house here

FABULOUS

BEASTS

David Nash - Habitat

Draw your own creatures here ↓

Lots of creatures live in Habitat. How many creatures do you think live there?

make a mini Habitat from plasticine or salt dough.

lots of creatures live in Habitat. How many creatures do you think live there?
you can make your own Habitat at home.
make a bug hotel for your garden and see how many mini beasts come to stay. What is your bug hotel called?
