THE UNIVERSITY OF WARWICK

# ABOUT WARWICK

The University of Warwick is one of the **world's top 100, UK top 10 and Europe's top 20 universities** as ranked by The QS World University Rankings.

# CONNECT WITH OUR STUDENTS

Over 30% of Warwick's student population, approximately 10,000 students, come from 150 countries outside of the UK, including mainland China, Hong Kong, South East Asia, India, Europe, USA and the Middle East.

Connect with target groups of students, using our range of physical and digital services:

## 1 Virtual Presentations

Connect digitally with target groups of Warwick students by delivering a virtual presentation.

We provide a free virtual presentation platform and will manage all student promotion and sign up. All you need to do is dial directly in and present to students. Our platform enables slides, video content and multiple presenters from different locations.

Plus, we have connections with other top UK universities where we can promote your webinar too, giving you access to the widest number of students.

**Deliver a virtual presentation to provide students with:**

- ▶ Details on your available roles and application process
- ▶ Question and Answer session
- ▶ Virtual office tour and day in the life of working in your organisation
- ▶ Virtual coffee chat
- ▶ Skills workshop

## 2 Events

Throughout the year, we offer a range of physical and virtual events and fairs to help you connect with students.

Each spring, we will host our Asia Careers Insight Series giving you the opportunity to host a free virtual presentation to connect with students at Warwick, and our partner universities.

This event will help you connect with 4,000+ students who are interested in graduate roles and internships in mainland China, Hong Kong, South East Asia and India.

### 3 Student Careers e-newsletters

Our student careers e-newsletters focus on careers and graduate opportunities in specific countries and regions across the world, including mainland China, Hong Kong, South East Asia, India, Europe and the Middle East.

We welcome information, articles, links and graduate roles from organisations to include in these monthly e-newsletters.

### 4 Careers social media

Our careers social media channels cover mainland China, Hong Kong, South East Asia, India, Europe and the Middle East providing your organisation with the opportunity to share your graduate opportunities, information and events with our students.

### 5 TeaMWork

The University of Warwick and Monash University (Australia and Malaysia) are partnering to provide a virtual international programme for students and organisations.

TeaMWork provides you with an opportunity to pipeline student talent, as well as enabling a team of students to apply their thinking to a project provided by your organisation.
