Employer presentations

Hosting an employer presentation at Warwick gives your organisation a unique opportunity to talk to students about your sector and, more specifically, about your organisation itself. Depending on your need, these recruitment events can take the format of a formal presentation or something more relaxed and informal.

Employer presentations take place in Autumn term, when experience has shown students are most receptive and attendance at its peak.

Presentation bookings open in March ahead of the academic year and should be booked through the Employer Connect team. The fee is applicable upon booking with further variable charges subject to presentation format and venue.

Skills sessions

Skills sessions offer you the opportunity to become actively involved in the development and learning of students here at Warwick and to help mould career aspirations and skills at an early stage. The programme focuses on the skills that students need throughout the recruitment process and also helps to build the broader employability skills they require in graduate roles.

Skills sessions are offered to our Recruiters Club members in the first instance due to the limited number available. To register your interest please contact the Employer Connect team.

Sector events

Sector events bridge the gap between Careers fairs and Employer presentations, focusing on specific sectors which are of particular interest to students here at Warwick.

The extensive programme runs during both Autumn and Spring terms, with a variety of sectors represented – demonstrating the breadth of career options available to students. Events will vary in format, ranging from information events and speaker-led presentations to networking sessions steered by Warwick alumni.

These bespoke events provide an excellent opportunity to promote both your sector and your organisation to Warwick students through a programme that is well received and attended by students across all disciplines.

Events for the 2018/19 Academic year include:

Autumn term

- » Investment Banking Uncovered
- » Regional Law Firms Networking event
- » Options in Engineering
- » Careers in the Public Sector
- » Discovering Careers in the Creative Industries
- » Careers in HR and Personnel
- » Technology in Professional Services

Spring term

- » Careers in Advertising, Marketing and PR
- » Careers in Technology
- » Careers in Science
- » Careers in Radio, Film and TV
- » Careers in Publishing and Journalism

Please enquire with the Employer Connect team for full information including dates, availability and the booking process.

PARTNERSHIP AND SUPPORT

Recruiters Club

The Recruiters Club is a group of partner employers who work closely with Warwick and our students on a long term basis to help fulfil their recruitment needs. This partnership creates dialogue between the careers service and recruiters about graduate recruitment trends and the ongoing development of an effective recruitment campaign here at Warwick.

Your feedback and involvement through the Recruiters Club helps to achieve an increase in the success of our students and graduates within the recruitment process. Members benefit from early access to event bookings and exclusive events.

Please enquire with the Employer Connect team to engage with us at this higher level.

Collaborate to Train

Collaborate to Train is backed by the European Social Fund and benefits businesses by improving the ways in which education providers, local authorities and other stakeholders work together by combining recruitment and training expertise. This helps us to act as a gateway so your business can access a variety of recruitment options; whether you're looking for students on placement or work experience, graduates, apprentices or school leavers, we can help through Collaborate to Train.

Signposting within the University

You may wish to access other services across the University which will complement your recruitment campaign. We can connect you to these so that you can reach out further into the student community. These include:

Internships Development Team

The Internships Development Team are also part of Student Careers & Skills and work closely with Employer Connect to provide access to free advice, support and advertising when planning and delivering work experience opportunities. If you would like to access this support service please contact Employer Connect.

Academic departments

Student Careers & Skills works directly with each academic department to support students, embed employability and continue our work with you to ensure you are able to engage effectively with our student body. If you wish to target a particular academic department we can connect you effectively through our Careers Consultants.

Students Union Societies

There are over 200 student societies active on campus offering a wide variety of extracurricular activities. Engagement with students through these channels is highly complementary to your campaign and will help you develop a unique and distinctive presence on campus.
