

Destinations of Leavers from Higher Education survey: April 2017/Jan 2018

Information for graduates who completed a course at Warwick between 1 August 2016 and 31 July 2017:

About the survey

The survey we are asking you to take part in is a national survey of everyone who has recently qualified from any university or HE college in the UK. The information you provide will also be very useful to us at the University of Warwick to advise our current students about the opportunities that might be available to them.

Of those who obtained qualifications across the UK in 2015/16, 78% responded to the survey. More results can be found at <https://www.hesa.ac.uk/news/29-06-2017/sfr245-destinations-of-leavers> and <https://www.hesa.ac.uk/news/13-07-2017/sfr246-ap-destinations-of-leavers>.

If we don't hear from you we will try to contact you again, possibly by phone, so please let us know if you change your email address or phone number. If we can't get in touch with you at all, we may try to get information about what you were doing from someone else, either at the University of Warwick or someone we can reach using the contact information you have previously provided. If you don't want us to do this, or you don't want to give us any information at all, please tell us. Below are details about what happens to your information after it is sent to us.

What happens to your information?

The information provided about your destination will be used within Student Careers & Skills and will be shared with departments within the University to provide information on the career choices and destinations of our graduates and as a basis for internal research.

To help inform current and prospective students about potential career options:

- The data will be transferred to the supplier of our 'Graduate Employment Market Statistics' software. This software publishes anonymous information on the Student Careers & Skills website [What do Warwick graduates do?](#)
- Anonymised information will be used in University publications, such as the prospectuses and other printed materials, and will be available on relevant University web pages.
- Anonymised information may be provided to third parties for the purposes of compiling university league tables to help inform student choices.

Anonymised information may also be used to support bids to and/or research carried out by external organisations.

The data will be used to ensure that, as a University of Warwick graduate, you are kept in touch with the University through a variety of media, can benefit from a range of meaningful alumni services and have the opportunity to support the University. Alumni services include lifelong

learning, careers advice, events, reunions and networking. For more information on how the Alumni office can help you keep in touch with friends from the University, visit: [Alumni](#)

The University of Warwick is bound by the provisions of the Data Protection Act 1998. For more information, see the [University's data protection policy](#)

We will send information from this survey to the Higher Education Statistics Agency (HESA). The uses that HESA makes of your survey responses are described in detail at: www.hesa.ac.uk/about/regulation/data-protection/notices/dlhe-c16018.
