

# University of Warwick Nursery

## AIMS AND OBJECTIVES

The Aims and Objectives of the Nursery are as follows:

1. To create a stimulating, caring and safe environment for ALL children in our care.
2. To actively promote the development of positive self image within the children.
3. To work as partners with parents/carers in an open and honest way.
4. To have an involvement with the University community.
5. To develop and maintain strong links with other agencies and for them to recognise our professionalism.
6. To introduce an inclusive atmosphere by introducing appropriate resources, toys, books, and games to encourage equality of opportunity for all children regardless of their gender, culture, or ability.
7. To eliminate racism throughout its whole structure by:
  - a. Welcoming and celebrating the ethnic diversity of the families using the Nursery.
  - b. Providing positive images of different ethnic communities and cultures e.g., posters, toys, clothing, and festivals.
8. To encourage parents/carers to visit the Nursery at any time.
9. To provide an atmosphere which makes the children and their parent/carers happy and comfortable within the Nursery.
10. To provide quality care and education for pre-school children.
11. To create a developmentally appropriate curriculum to meet the needs of each individual child.
12. To share information, resources, and practical advice
13. To support staff on training courses enabling them to develop skills and confidence through sharing full responsibility for the children in their care.
