The Acorn's Charity Ball 2003, 20th September 2003 at the Hilton, Coventry

Warwick and District Round Table has a long history of charitable fundraising. Over the past few years, we have raised thousands of pounds for local and regional causes. We believe it is important not only to raise funds but to create some fun and enjoyment for the local community whilst we are doing it. In this tradition this year we are organising a charity ball in aid of Acorns Children's Hospice in Selly Oak, Birmingham. Acorns provides respite as well as terminal care for life-limited children across the entire West Midlands. The Trust also has a care in the community programme to help families including those that have suffered bereavement and the Sibling Programme helps brothers and sisters of the ill children who often suffer bullying and emotional trauma. On average it costs £10,000 for Acorns to help one child each year. Our fundraising target is to try and reach this figure. For more information see:

www.acorns.org.uk

I am writing to you to ask for your support however large or small in helping make this event a success. You can do this by sponsoring part of the evening this could be by one or other of the following options:

- By attending the event and buying tickets or a table for 10 people
- By sponsoring our ticket, poster, printing and decoration costs
- By sponsoring a Champagne reception
- By sponsoring the cost of the bands performing at the event
- By advertising your company logo on the Ball menu
- By donating a prize for our Charity Auction

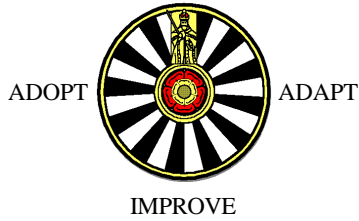

The benefits to you include:

Recognition at the event, visible support for an excellent local charitable cause, local media coverage through Round Table promotional activity and a great evening's entertainment for you, your employees / customers / friends.

Thank you for your help,

Dr Giles Carden
Ball Organiser
