The **Search Filters** box in the left hand navigation allows you to choose a range of elements to refine your Search

1. You can search By date by [Clicking] on the drop down arrow at the side of the *By Date* text in the **Search Filters** box

▼ By date

☐ Finished

☒ Ongoing/Future

☐ Range: to

You can search by Finished events, Ongoing/Future events (defaulted radio button) or by a date Range.

Should you choose date range, [Click] into the first Range box and a drop down calendar will appear [Click] onto the first date required and it will populate the box. [Click] onto the second date box after to and [Click] onto the date required. *To execute, [Click] on the **Apply Filters** button*

You can clear the date selection by [Clicking] the next to the Range boxes.

By [Clicking] on the arrow at the side of each Filter, you can remove the drop down shown. This will help with the screen view

To note: Ensure when clearing date ranges that the radio button is returned to the default Ongoing/Future button
