

## **EXAMINERS' JOINT REPORT ON A THESIS SUBMITTED FOR A RESEARCH DEGREE**

Please note: this report will be shared with the candidate and their department following approval by the Chair of the appropriate Faculty Education Committee.

- 1. Name of candidate:
- 2. Degree for which thesis/portfolio is submitted:
- 3. Title of thesis/portfolio:
- 4. Date of viva (if held):
- 5. Joint report and Examiners' Recommendation\*
  - (a) Please comment on the quality of the thesis/portfolio:

(b) Please comment on the candidate's performance in the oral examination:

(C) **Recommendation:** 

> Guidance for completion: For minor or major corrections, please state the agreed time limit here (up to three months for minor correction, up to six months for major corrections). Please note that it is the responsibility of the examiners to advise the candidate of the required corrections and agreed time limit, as this will not be communicated by the Doctoral College.

> In the event of a **resubmission**, please attach a jointly agreed note of guidance which the Doctoral College can forward to the candidate, and state the agreed time limit (up to 12 months).

Signature of Internal Examiner (or second external)

Signature of External Examiner

6. Examination Advisor's comment on viva

Signature of Examination Advisor

## Notes

- (a) Please complete this report and return it to the Doctoral College as soon as possible after the oral examination (if held) and a final decision has been reached on the thesis. (b)
  - The examiners' joint recommendation is subject to approval by the University.
- If a joint recommendation cannot be reached, please see Part III.7 of the Guide to Examinations for Higher (c) Degrees by Research.
