

University of Warwick
Projects in Progress (PIPS) Group Meeting

DATE: Tuesday June 10th 2014
TIME: 12 midday - 1.30pm
LOCATION: Wolfson Research Exchange, Room 1, 3rd Floor Library

Minutes & Action Points

1) Introductions & Welcome

2) Presentations:

PIIRUS - Connecting researchers. Crossing boundaries

Rhiannon Taylor, Piirus Support Officer, presented Piirus - a networking website designed to match researchers to other potential research collaborators, to enable them to build networks and explore new ideas. Piirus is aimed at established, early career and doctoral researchers and is easy, quick, free & secure to join ([the presentation](#) )

Open Access Publishing

Helen Albrow, University Open Access Officer presented on Open Access Publishing. She defined what is meant by OA Publishing, outlined the possible routes to and benefits of OA publishing and gave details of support at Warwick for Open Access. 'Best effort' to provide Open Access was required in 7 pilot areas under FP7. Under Horizon 2020 there is an obligation to provide Open Access to peer reviewed publications in all areas (during the project). Publishing costs are eligible-costs for projects whilst projects are running. ([the presentation](#) )

3) Any Other Business

LD referred to an email from Trevor Brown regarding Finance Support sessions for EU Project Managers. The Network agreed that this could potentially be of interest.

ACTION POINT: LD to convene a sub-group meeting to discuss potentially useful content of such sessions.
