In attendance: Administrative Officer (Academic Registrar’s Office), Academic Registrar, Group Finance Director, Finance Director, Deputy Academic Registrar, Deputy Registrar, Registrar.

123/13-14 2014/15 Budget and the Provisional University Financial Plan 2014

CONSIDERED:

(a) The 2014/15 Budget and the provisional University Financial Plan 2014 (S.61/13-14) together with oral reports from the Vice-Chancellor and Group Finance Director.

(b) A presentation on the University Financial Plan from the Group Finance Director.

(c) A presentation on the budgets for the Administration and Campus & Commercial Services Group from the Registrar

RECOMMENDED (to the Council):

That the 2014/15 Budget and the provisional University Financial Plan 2014 be approved as set out in S.61/13-14.

124/13-14 Minutes

RESOLVED:

That the minutes of the meeting of the Senate held on 11 June 2014 be approved.
Matters Arising on the Minutes

(a) Report on the Review of the Graduate School

REPORTED:

That the Senate, at its meeting held on 12 March, considered an oral update from the Registrar on the Graduate School Review, noting that it was the intention of the Pro-Vice-Chancellor (Postgraduate and Transnational Education) to gather Heads of Academic Departments, CDTs and others with a view to considering future priorities and any potential reorientation of the Graduate School; and that discussions are on-going with an individual with respect to assuming a role as Interim Academic Director of the Graduate School and leading on a variety of student-facing matters.

CONSIDERED:

(i) A paper from the Pro-Vice-Chancellor (Postgraduate and Transnational Education), setting out a strategy for postgraduate education, building on the recommendations of the Review of the Graduate School (S.62/13-14).

(ii) An oral report from the Pro-Vice-Chancellor (Postgraduate and Transnational Education), setting out the consultation process having taken place since the meeting of the Senate on 12 March, noting that the CDT model increasingly adopted by the Research Councils, with its emphasis on 1+3 programmes, made it pragmatic for the Graduate School to maintain its responsibility for both research and taught postgraduate students and that the role of Academic Director would become a powerful institutional advocate for and representative of the interests of postgraduate students.

RESOLVED:

That the proposed strategy for postgraduate education, building on the recommendations of the Review of the Graduate School, be approved as set out in S.62/13-14.

(b) University Risk Update

REPORTED:

That at its meeting held on 11 June, the Senate considered a paper on the Spring Term 2014 University Risk Update (S.50/13-14), together with an oral report from the Deputy Registrar, noting:

(i) That the Steering Committee had considered and approved the amendments proposed as set out in paper S.50/13-14.

(ii) That there were three areas of remaining concern: USS pension contributions, student recruitment and the Student Satisfaction Survey, with respect to all of which mitigation activity was in hand.

CONSIDERED:

The Summer Term 2014 University Risk Update (S.74/13-14).
RECOMMENDED (to the Council):

That the Summer Term 2014 University Risk Update be approved as set out in paper S.74/13-14.

126/13-14 Provost's Business: Review of the School of Life Sciences & Warwick Medical School

REPORTED:

That open meetings had been held with staff from the School of Life Sciences and from the Warwick Medical School, noting that Reviews being conducted were financially-driven and that there would be a forthcoming focus on efficiencies and looking for means to generate additional income to enable both Schools to become genuinely first class and focus on excellent teaching and research.

127/13-14 Provost's Business: Opportunity in California

REPORTED:

(a) That the Pro-Chancellor had asked the Vice-Chair of Council to chair on his behalf a sub-group of the Council to oversee the progress of initial explorations into the opportunity to establish a Warwick presence in California.

(b) That this group, in conjunction with an academic development group, would consider the range of options available to the University should it wish to engage further in this opportunity – including market analysis; the potential teaching portfolio; potential opportunities for collaboration and partnership for research and commercial activities, and the potential establishment and testing of a Warwick offer and infrastructure development;

(c) That it was anticipated that there would be further consideration by the Senate and Council in the new academic year of the options for further engagement;

(d) That, following this phase of exploration, and should consideration progress, there would be further engagement within the Academy to inform the concept development;

(e) That, separately to the University’s explorations of the opportunity, the Vice-Chancellor had been invited to join the University Development Trust in a personal and unremunerated capacity. The Trust is a non-profit development organisation that holds the property in Placer County, California, donated for the purposes of University development.

128/13-14 Registrar’s Business: Senate Member Vacancies

REPORTED:

(a) That in accordance with Ordinance 5, nominations would be sought to fill two vacancies in the representation of the Senate on the Council occasioned by the natural end of the term of office of Professor Thomas and the appointment of Professor Swain as Pro-Vice-Chancellor.

(b) That members of the Senate were invited to make nominations against these vacancies, noting that nominations should be proposed as seconded with the agreement of the nominee and that nomination forms will be sent to members of the Senate for this purpose by the Secretariat.
(c) That nominations should be received by the Registrar no later than 12 noon on Friday 11th July 2014 and that, should it prove necessary, a secret ballot of members of the Senate would be held in order to confirm the names for representatives of the Senate on the Council for the period 1 August 2014 through to 31 July 2017.

(d) That there were also two vacancies in the representation of the Assembly on the Senate and that an invitation would be issued to members of the Assembly to stand for nomination, noting that the membership of the Assembly comprised the academic staff of the University and professional staff in grades 6-9.

REPORTED:

(a) That from the start of the academic year 2014-15, the University would be piloting a new integrated complaints handling framework and that student-facing information would be updated to reflect this framework.

(b) That the framework was being introduced at a time when demonstrable compliance with the new requirements in this area was mandated by the Funding Council.

(c) That information and guidance would be sent to all departments over the summer briefing them on the key changes.

REPORTED (by the Academic Registrar);

(d) That mediation would be introduced as a core component of the Framework in the resolution of student complaints in order to identify opportunities to resolve complaints before they became formal and required the involvement of staff in formal hearings and/or were escalated to the Office of the Independent Adjudicator.

130/13-14 University Strategy

CONSIDERED:

The draft University Strategy (S.63/13-14).

RECOMMENDED (to the Council):

That the draft University Strategy be approved as set out in S.63/13-14, subject to stylistic and typographic issues identified at the meeting.

131/13-14 Establishment of the Warwick Education Academy

CONSIDERED:

(a) A paper from the Pro-Vice-Chancellor (Teaching and Learning), seeking approval in principle to establish the Warwick Education Academy (S.69/13-14).
(b) An oral report from the Pro-Vice-Chancellor (Teaching and Learning) noting that the proposed establishment of the Warwick Education Academy sought to raise the standards of teaching across all departments; enhance the perceived value of teaching within the institution; act as a focus for external engagement in teaching and learning matters and deliver value in teaching practice beyond the sum of the Academy’s constituent parts, not least through a potential joint launch with Monash, thus offering the immediate opportunity to become globally-connected with all the attendant advantages to staff and students from potential mobility and inter-institutional links.

RESOLVED:

That the establishment of the Warwick Education Academy be approved in principle as set out in paper S.69/13-14.

132/13-14 Timetabling Policy

CONSIDERED:

(a) A paper from the Senior Assistant Registrar (Space Management & Timetabling) proposing a University Timetabling Policy (S.64/13-14).

(b) An oral report from the Pro-Vice-Chancellor (Academic Planning and Resources), noting that the policy was being brought forward at a time of significant investment in teaching spaces but that the existing constraints relating to the current method of compilation of the teaching timetable mitigated against optimal use of existing teaching spaces.

RESOLVED:

That the proposed Timetabling Policy be approved as set out in paper S.64/13-14, subject to the inclusion in the policy of a note that no member of academic staff had the power to veto teaching times.
