55/03-04 Minutes

RESOLVED:

That the minutes of the meetings of the Senate held on 3 December 2003 and 13 February 2004 be approved subject to the inclusion of Professor D Singer in the list of those members offering their apologies for the meeting held on 13 February 2004.

56/03-04 Appointment of the Registrar (minute 54/03-04 refers)

REPORTED:

(a) That the Council, at its meeting on 13 February, approved the appointment of Mr Jon Baldwin, currently Registrar and Secretary of the University of Manchester Institute of Science and Technology, as Registrar of the University.

(b) That Mr Baldwin would be taking up the post of Registrar with effect from 1 June 2004 and would be visiting the University on 12 February to meet members of University staff, chairs of academic departments and the President of the Union of Students.

57/03-04 Appointment of Director IT Services

REPORTED:

That Ms Rosemary Gilmore had been appointed to the position of Director of IT Services.
58/03-04  Finance Director

REPORTED:

That the Finance Director was currently absent from the University following surgery, from which he was making a rapid recovery and was expected to return to full-time duties on 15 March.

59/03-04  Horticulture Research International (minute 36/03-04 refers)

REPORTED:

(a) That the Council, at its meeting on 12 December, approved amendments to University Ordinance 7 governing the Faculty Boards to provide for the establishment of Warwick Horticulture Research International as a Department of the University within the Faculty of Science.

(b) That the Steering Committee, at its meeting held on 2 February, approved the constitution and terms of reference of the Advisory Board to be established for Warwick HRI, pending the establishment of which, a Working Group of Growers’ representatives and University staff had been established as an interim advisory and liaison group.

(c) That the Finance and General Purposes Committee and the Group established by the Council to approve, on its behalf, the final arrangements for the transfer of HRI to the University would meet on 11 March to consider the final draft of the HRI Business Plan and, in the expectation that the outstanding issues relating to the transfer would be resolved to the satisfaction of the Finance and General Purposes Committee and the Group, the Change of Control document would be signed on 19 March and formal transfer of HRI to the University would take place on 1 April 2004.

(d) That interviews for appointment to the position of Director of Warwick HRI were scheduled to take place in the coming week.

60/03-04  Institutional Audit (minute 39/03-04 refers)

RECEIVED:

An oral report from Professor Whitby on the QAA Institutional Audit of the University undertaken during the week beginning 1 March noting the themes which had arisen in the course of discussions with the auditors and that preliminary feedback from the QAA was expected by 19 March.

RESOLVED:

That the Senate record its thanks to all University staff and students who had contributed to the Audit process and, in particular, to the Senior Assistant Registrar (Teaching Quality) and her team for their work in preparing for Institutional Audit.
61/03-04 **AUT Industrial Action**

REPORTED:

That information about the continued industrial action by the AUT had been published on the University web-site indicating that the University was continuing to work closely with academic departments to minimise the impact of any industrial action upon the student experience and would publish further information at the start of the Summer Term.

62/03-04 **Recurrent Funding 2004/2005**

A copy of a letter from the HEFCE concerning the recurrent grant allocation to the University for the academic year 2004/2005 together with a note prepared by the Deputy Finance Director on the implications of the recurrent settlement on the University’s Financial Plan (S.30/03-04) noting that the recurrent grant allocations for teaching and research would increase by £3.7m from 2003/2004 and by some £0.9m over the Financial Plan forecast for 2004/2005 largely due to a slight uplift in the R Grant and an increase in the T Grant arising from a successful bid for the award of additional student numbers.

63/03-04 **National Health Service University** (minute 29/03-04 refers)

REPORTED:

(a) That the University’s bid to become the principal academic partner of the National Health Service University had been successful.

(b) That discussions were progressing to define the nature of the University’s partnership with the NHSU, including:

(i) defining the NHSU's strategic accommodation requirements and in so doing informing consideration of the University's own plans for the future use of the Senate House and the longer term strategy for the development of the campus.

(ii) definition of the NHSU's proposed affiliate status with the University.

(iii) development of new academic partnerships, such as that being developed between the NHSU and the Institute for Employment Research on employment and learning with reference to the NHSU.

(c) That the Steering Committee, at its meeting held on 1 March 2004, approved the terms of reference and membership of a Warwick-NHSU Joint Executive Management Group to support the development of the partnership with NHSU.
REPORTED:

(a) That the Council, at its meeting on 12 December, approved proposals for the establishment of an Information Policy and Strategy Committee and a Joint Group of the Senate and the Council to consider the re-framing of the governing instruments of the University.

(b) That a Group had been established by the Steering Committee to consider issues relating to departmental governance and leadership and it was intended that this Group would align its work closely with that of the Governing Instruments Committee, with which it had some common membership, in regard to issues relating to the management of academic departments.

RECEIVED:

An oral report from the University Secretary on the progress of the work of the Governing Instruments Committee in reviewing the role of the Court and the Council and the current academic structures of the University and noting that the Committee intended to bring forward a final report for consideration to the Senate and the Council in the Summer Term.

CONSIDERED:

A report from the Vice-Chancellor's Advisory Group on the Appointment of Pro Vice-Chancellors reviewing the procedures for the appointment to any future vacancy in the position of Vice-Chancellor (S.31/03-04).

RESOLVED:

That the Vice-Chancellor's Advisory Group on the Appointment of Pro Vice-Chancellors be asked to give further consideration to a modest increase in the size of the Joint Committee for the Appointment of the Vice-Chancellor and greater inclusivity in membership with a view to bringing forward detailed proposals for revisions to Ordinance 1 on the Appointment of the Vice-Chancellor for consideration by the Senate and the Council in the Summer Term.

CONSIDERED:

A report from the Steering Committee (S.32/03-04 {Parts 1 (in two parts) and 2}) and its resolutions recorded under the following items:

68/03-04  Report from the Strategy Committee

CONSIDERED:

A report from the meeting of the Strategy Committee held on 26 February (S.33/03-04).

(a) Student Enrolments 2003/2004

RECEIVED:

A report on the overall shortfall in forecast student fee income for 2003/2004 compared with the University’s Financial Plan and the action being taken to improve University student number planning processes in future planning cycles.

(b) University Financial and Corporate Plans

RESOLVED:

That the Senate endorse the views of the Council and the Strategy Committee in regard to the introduction of tuition fees, namely:

(i) That, should the current draft of the Higher Education Bill be passed, the University introduce student tuition fees from 2006 at the level of £3000 for all undergraduate honours degree programmes.

(ii) That further consideration be given to the tuition fees payable by 2+2, Foundation Degree, part-time and mature students.

(iii) That, while the precise allocation of tuition fee income accruing to the University would require the development of detailed priorities, the principles upon which that income would be invested would be determined by the objective of improving the University experience for students through:
(A) a package of measures for widening participation and provision of student support.

(B) infrastructure, such as teaching laboratories and library provision.

(C) staff, in order to improve staff-student ratios and to attract and retain high calibre academic staff.

(c) Visit of Richard Lambert

RESOLVED:

That members of the Senate submit to the University Secretary any items for discussion they would wish to have included on the agenda for the visit of Richard Lambert to the University on 29 April.
