93/04-05 University Financial Plan: 2005-2009

CONSIDERED:

The University Financial Plan for the period to 2008/2009 recommended for approval by the Strategy and Finance and General Purposes Committees (S.48/04-05) together with oral reports from the Vice-Chancellor and the Acting Director of Finance, noting that the following major assumptions and provisions had been incorporated within the Plan:

(a) Continued provision for the introduction of variable top-up fees for full-time Home/EU undergraduate students with effect from 2006/2007 and the direction of approximately 30% of the additional fee income to fund student bursaries and access initiatives.

(b) Forecast future grant settlements from the HEFCE above planned inflationary increases in addition to increases in R Grant of approximately 2.5% per annum and increases in T Grant of 1% per annum.
(c) Increases in Government Supported fee income between 3% and 3.4% and a forecast 4.1% rise in total full-time equivalent Government Supported student numbers.

(d) Increases in fee income from Independently Funded Courses (including Short Courses) of 9% per annum.

(e) Growth in Research Grant and Contract Income of 10% per annum in volume in addition to the effect of full economic costing.

(f) Average annual increases in other operating income of 3.7% per annum.

(g) The application of inflation factors of 3% (salary) and 2.5% (general inflation) and provision for an increase in the overall remuneration package for staff of approximately £4m per annum resulting from implementation of the single pay spine in August 2006.

(h) An increase in University contributions to the University of Warwick Pension Scheme from 19% in 2005/06 to 21% in each successive year of the plan.

(i) Increased spend on the Library over the life of the plan to £8m (recurrent) by 2008/09 against a total of £4.7m in 2003/04.

(j) Additional spend on services funded through the Central Administrative Budget, including the establishment of a China Office (£130k), an immigration service (£120k) and additional resources for the Development Office (cf£200k); costs for the development office to be matched by projected extra substitution income.

(k) Additional spending on IT Services to support the Email Replacement Project and the provision of high quality research data storage.

(l) Increases in the block grant to the Students’ Union of an additional £130k per annum on top of the £120k increase in 2003/04.

(m) Additional investment in non-devolved academic departments of £0.3m in 2005/06, £1.0m in 2006/07 and £0.5m in 2007/08 and 2008/09 over and above funding awarded in 2003/04.

(n) Approximately 100 additional academic posts over the period 2004/2005 to 2008/2009.

(o) Steady growth in income for Warwick Medical School and Warwick Business School over the plan period.

(p) Improvements to the five-year plan for Warwick HRI against the original plan on acquisition, notwithstanding continued deficits in each year of the plan post-2005/06.

(q) Capital expenditure of £90.6m over the period 2005/06 to 2008/09 on Millburn House, Phase 3a of the Warwick Business School, the Warwick Digital Laboratory, the Estates building, a University ‘Landmark Building’ and SRIF and Project Capital proposals, together with the provision of £2m per annum for other, as yet unallocated, capital schemes.
Net current liabilities of £1.5m in 2005/06, £6.7m in 2006/07, £7.4m in 2007/08 and £1.3m in 2008/09.

Drawdown of additional bank facilities of £11,775k in 2005/06.

RECOMMENDED:

That the University Financial Plan for the period to 2008/2009, recommended for approval by the Strategy Committee and the Finance and General Purposes Committee, be approved for submission to the HEFCE as set out in paper S.48/04-05.

94/04-05 University Corporate Planning Statement: 2005

CONSIDERED:

The University Corporate Planning Statement for 2005 (S.49/04-05) providing a general update of the University’s progress during 2004/2005 against previously identified strategic priorities and presenting an outline of strategic priorities and areas for activities in 2005/2006, together with an oral report from the University Secretary.

RECOMMENDED:

That the University Corporate Planning Statement, including the proposed outline of strategic priorities and areas of activity for 2005/2006, be approved as set out in paper S.49/04-05 for submission to the HEFCE at the end of July.

95/04-05 Minutes

RESOLVED:

That the minutes of the meeting of the Senate held on 15 June 2005 be approved.

96/04-05 Membership of the Senate (minute 66/04-05 refers)

REPORTED: (by the Vice-Chancellor)

(a) That, in accordance with Regulation 2.3, the Steering Committee at its meeting on 20 June had established a Committee of the Assembly with the following membership to identify a member of the Assembly for appointment to membership of the Senate for the period 1 August 2005 to 31 July 2008:

   Professor M Whitby  
   Dr C Humphreys  
   Dr H Nesi

(b) That he had subsequently approved, on behalf of the Steering Committee, the appointment of Dr P Roberts to membership of the Committee to replace Dr C Humphreys.
(c) That, in accordance with Regulation 2.3, Professor A Phizacklea of the Department of Sociology had been re-appointed and Dr J MacPherson of the Department of Chemistry appointed to fill the vacancies in the appointees of the Assembly on the Senate occasioned by the expiry of the current term of office of Professor Phizacklea and the appointment of Professor Bassnett as a Pro-Vice-Chancellor in the academic year 2005/06.

97/04-05 Warwick in Asia

RECEIVED:

The interim Singapore feasibility study report together with a summary of the outcome of discussions at the meeting of the Council on 22 June 2005 (S.61/04-05).

REPORTED:

(by the Vice-Chancellor)

(a) That representatives from the Economic Development Board of Singapore (EDB) had visited the University on 22 June to discuss the financial plan element of the feasibility study and that a videoconferencing session with EDB would be held on Friday 1 July to follow up on this visit.

(b) That arrangements had been made for a number of further visits to Singapore in July and September, including visits by senior University representatives from 21 to 25 July and from 12 to 14 September and a five-day visit in July by student representatives of the University.

(c) That Phase 2 of the market analysis being undertaken by the PA Consulting Group would shortly be commissioned.

(d) That extraordinary meetings of the Senate and the Council to consider the final Singapore feasibility study report had been scheduled for 2pm on 12 October and 2pm on 18 October respectively.

(e) That a joint forum for discussion by members of the Senate and the Council on the Warwick in Asia project would be held in the early part of the Autumn term.

(f) That the first draft of the final feasibility study report was expected to be complete by early September and that final revisions would be made to the report following the visit of University representatives to Singapore from 12 to 14 September.

(g) That the final feasibility study report would be circulated to members of the Senate and the Council by the beginning of October.

(by the Feasibility Study Project Manager)

(h) That the final feasibility study report would incorporate a four-part approach to addressing issues relating to academic freedom and freedom of speech in Singapore, including the following:

(i) A report from an internationally respected academic specialist from the National University of Singapore, Dr Thio Li-Ann;
(ii) Legal advice on the status of non-Singaporean citizens and of the University as a private corporate body;

(iii) An independent report from the student contingent visiting Singapore in July;

(iv) A report on human rights issues from the Singapore Feasibility Study Project Team.

RESOLVED:

(a) That the interim feasibility study report be welcomed.

(b) That notification of the projected timescale for production of the final feasibility study report be provided to members of the Senate as soon as practicable following the visit by University representatives to Singapore from 12 to 14 September.

98/04-05 Email Replacement Project

RECEIVED:

An oral report from Professor Whitby on the progress of the Email Replacement Project, noting that formal technical and user testing of each of the proposed new systems was currently underway and that there had been some concerns raised from the student perspective in regard to the migration of existing students to the proposed new student email system.

101/04-05 **Departmental Governance** (minute 46/04-05 refers)

**CONSIDERED:**

Revised proposals from the Working Group established by the Steering Committee to consider matters relating to the governance of academic departments (S.62/04-05) together with an oral report from the Deputy Vice-Chancellor.
RECOMMENDED:

(a) That the procedure for selecting and appointing Chairs of Department be revised to reflect the realities of the dual managerial and collegial responsibilities of the post.

(b) That Chairs of Department be appointed normally for a five-year term of office, renewable for one further period.

(c) That the roles, responsibilities and accountabilities of Chairs of Departments be clarified including good practice guidance on departmental decision-making structures.

(d) That the governance structures of departments and schools be amended to be more inclusive, recognising the vital contribution made by teaching-only, research-only and support staff and the need for an element of transparency in decision-making processes.

(e) That the role of Professor Responsible be discontinued and that the responsibilities currently held by the Professor Responsible normally be carried out by the Chair of Department, who should normally be a Professor.

(f) That support in skills and techniques in leadership and management be more widely available to Chairs of Department and that there be a more systematic approach to the succession planning and induction of new Chairs than is the case at present, including the provision of mentors if requested.

(g) That the rewards and incentives for carrying out the task of chair be revised so that the posts are more attractive than is the case at present.

(h) That the nature and structure of administrative support for Chairs of Departments be reviewed by the Academic Resourcing Committee with particular focus on medium-sized and small departments.

(i) That proposed revisions to University Ordinances 11 and 12 and University Regulation 1 to support the implementation of the above recommendations of the Working Party on Departmental Governance be approved as set out in paper S.62/04-05.
