27/02-03 Report from the Information Technology Policy Committee

CONSIDERED:

A report from the meeting of the Information Technology Policy Committee held on 15 November 2002 (S.15/02-03) and its resolutions recorded under the following items:

(a) Terms of Reference and Membership
(b) Network Advisory Group
(c) Web Review

(a) Direct Departmental Contribution to IT Costs

REPORTED:

(i) That the Academic Equipment Sub-Committee of the Estimates and Grants Committee had taken into consideration the proposed new charging methodology, based on full-time equivalent staff (excluding manual staff) in its allocation of equipment grant to Departments for 2002-2003 and departments had been notified of allocations and informed that changes in the IT charging methodology were considered when determining the allocations.

(ii) That the originally agreed £500,000 in additional charges had not been sought from Departments in 2002-2003 and that, in the next planning round, IT Services would be requested to consider its proposed budget carefully to mitigate as far as possible the need for this element of funding in future years.
RESOLVED:

That the proposal to introduce a new charging methodology for the direct Departmental contribution to IT for 2002/2003 based on numbers of full-time equivalent staff (excluding manual staff) be approved, it being noted that this option provided a simple charging methodology which reflected the differing demands of teaching, research and administration.

(b) Campus Network Project

RECEIVED:

The Committee’s report on the progress of work on the Campus Network Project together with oral reports from the Chair of the Information Technology Policy Committee and the Director of IT Services noting that discussions between Professor Jones and IT Services were on-going regarding the allocation of space to accommodate operating components of the new Network.

RESOLVED:

That Professor Jones, the Chair of the Board of the Faculty of Social Studies and the Director of IT Services meet to resolve the issues raised by the Faculty of Social Studies with regard to the scheduling of work on the Campus Network Project.

(c) Service Statement and Performance Review

RECEIVED:

The Committee’s report on the dissemination of information about the core services provided by IT Services, the preparation of service statements and the availability of nominated Faculty liaison staff to attend Staff Student Liaison Committee meetings.

RESOLVED:

That the Academic Quality and Standards Committee be asked to ensure that any issues relevant to IT provision raised through the Periodic Review process be communicated to IT Services.
