

Departmental Point of Contact - Names

Prog Board Area	School/Department					
	Estates	Chemistry	Engineering	Physics	Life Sciences & Medical School (& BSU RTP)	Warwick Manufacturing Group
LEV	Joseph Thomas supported by Geoff O'Hara Dan Collins as Estate Manage Stratford Innovation Campus).	Rajan Randev, Deputy Technical Services Facilities Manager. Resource email: ChemTech@warwick.ac.uk	Adrian Seymour, Technical and Facilities Manager.	Kevin Murphy, Technical Services Manager.	Chris Furze, Technical Support Manager for SLS/WMS Sarah Stanley, for Biological Services Unit Research Technology Platform	Brian Gratton Compliance and Project Officer.
Water	Phil Bowen, Maintenance Engineering Surveyor. Matt Gannon, Maintenance Engineering Assistant Surveyor (Water).	Nishi Vasisht, Technical and Building Services Manager. Resource email: ChemTech@warwick.ac.uk	Adrian Seymour, Technical and Facilities Manager.	Kevin Murphy, Technical Services Manager.	Sarah Stevenson, Technical Support Manager.	Brian Gratton, Compliance and Project Officer.
Natural Gas	Phil Bowen, Maintenance Engineering Surveyor.	Nishi Vasisht, Technical and Building Services Manager. Resource email: ChemTech@warwick.ac.uk	Adrian Seymour, Technical and Facilities Manager.	Kevin Murphy, Technical Services Manager.	Christine Ashton, Technical Facilities Manager.	N/A
Lifting Equipment	For powered/mobile lifting equipment: Neil Williams, Electrical Maintenance Manager For static lifting equipment: Wayne Smith, Building Fabric Maintenance Manager	Nishi Vasisht, Technical and Building Services Manager. Resource email: ChemTech@warwick.ac.uk	Adrian Seymour, Technical and Facilities Manager.	Kevin Murphy, Technical Services Manager.	David Hibberd, Instrument Workshop Manager.	Brian Gratton, Compliance and Project Officer.
Pressure Systems and Regulators; Bulk storage and Medical gases	Geoff O'Hara, Mechanical Maintenance Manager	Nishi Vasisht, Technical and Building Services Manager. Resource email: ChemTech@warwick.ac.uk	Adrian Seymour, Technical and Facilities Manager.	Kevin Murphy, Technical Services Manager.	David Hibberd, Instrument Workshop Manager for Autoclaves, steam generation plant, air compressor systems Sarah Stevenson, Technical Support Manager for regulators, gas bulk tanks and mobile tanks, gas manifolds and gas lines	Darren Woon, Technical Services Manager.
