

6b - Printing - Printer Locations

Where and when can you print ?

Our printers are either Kyocera or HP, and all of them can print double-sided, scan to email, copy and staple. You will need your student ID card to scan on the printer.

For a full list of printer locations along with details of their capabilities, please check the following webpage for more information: <https://warwick.ac.uk/services/its/service-support/printing/student-printing/names-locations/>

If you click on the arrow next to location, it will sort the list into alphabetical order.
