## Upcoming Network Lead Events

### Qualitative and Mixed Methods Interest Group (QMIG)

Date: 22nd March 2018

Location: Library, Wolfson 3. From 12 Noon – 1.15,

Lunch: Provided

Speaker: Suzy Moat, Associate Professor of Behavioural Science with Warwick Business School

TITLE: Sensing human behaviour with online data

ABSTRACT: Our everyday usage of the Internet generates huge amounts of data on how humans collect and exchange information worldwide. In this talk, I will outline recent work in which we investigate whether data from sources such as Google, Wikipedia, photo sharing sites and online games can be used to gain new insight into real world human behaviour. I will provide case studies from the economic domain and beyond.
