Finding full text

The results will indicate whether you have access to the articles from the University of Warwick. There will usually be a link to view the article on screen or a PDF file for download if the article is available in full text. For materials not available in the Library, you may request them using the **Document Supply** service. Please note that students must have request forms authorised by a tutor.

Managing your results

You can easily create a list of relevant materials from your search results. Select the titles that you are interested in by ticking the boxes on the left. You can then either email or export the results to a reference management system.
