WELCOME

Use this guide to navigate the Library and discover the essential locations.

Physically in the building?

Follow the map to find the numbered tour stops positioned around the Library building.

Scan the QR codes on the posters along the way for audio and helpful videos.

Don’t hesitate to visit the Helpdesk for further information and advice.

Using this guide online?

Click the video buttons to listen to more information and see some helpful videos from inside the Library.

Quick guide video

As an alternative to the full tour, the QR code below gives you a quick video guide of all the essential Library spots.

Enjoy the tour!
