WELCOME

Use this guide to navigate the Library, and explore the essential locations. If you’re physically in the building, follow the map to find the tour stops positioned around the Library which contain more information. Scan the QR codes along the way to listen to the information and see helpful videos.

If you are using the guide virtually, scan the QR code below to listen to more information and see some helpful videos from inside the Library.

We hope you enjoy the tour!
Don’t hesitate to visit the Helpdesk for further information and advice.

Find the numbered tour stops around the Library by following the map. Enjoy the tour!

Self Guided LIBRARY TOUR
warwick.ac.uk/library
**Visit the Library Coffee Bar when you need to refuel with drinks and cold food. You can take hot drinks and cold food into the Library, but not hot food.**

**A popular spot to read, relax and make the most of our comfy seating. This lounge is intended for study, so please respect the study needs of those around you.**

**Borrow books using the self-issue machines. You’ll need your University card to do this.**

**Come to the Helpdesk if you need any assistance. We’re usually here from 8.30am - 9.30pm, including weekends.**

**Use the Library catalogue machines to search for everything we have in the Library and to quickly find a book on the shelves.**

**Print, photocopy and scan from any of the 5 floors of the Library.**

**Use this area if you need any assistive technology to support your studies. We have a wide range of assistive software. Email library@warwick.ac.uk for an individual induction.**

**Need a very popular book? Books and DVDs in high demand often have a copy in this area. You need to return these by 11am the next weekday.**

**You can order up to 10 books from off our shelves using an online form, and then pick them up from this collection point!**

**A popular spot to take a break from study, relax, and take a breath in a tranquil setting. Please respect the people around you in this quiet space.**

**Did you know the Library has other study space for you outside of the main building? Why not explore our Learning Grids! Have you discovered the Modern Record Centre which holds over 15 kilometres of historic archives?**

**The Consultation pod is used for 1:1 support and advice from your Library team. Ask at the Helpdesk for information.**

**We have two telephone booths in the Library. They don’t actually have pay phones in them, but they are sound proofed so you can take private mobile phone calls, and you won’t disturb those around you.**

**Wandering where all the books are? Go further up the Library floors to find them. Floors 3, 4 and 5 are filled with books and study spaces too.**
