

Learning and Development Business Partner

Gráinne Hearne

Gráinne is a Learning and Development professional with over 20 years' experience of supporting individuals and groups to build self-awareness, discover their strengths, and take ownership of their learning and growth.

As a Learning and Development Business Partner within the Talent and Development team, Gráinne designs, facilitates, and delivers development interventions for all staff. Within this she focuses on creating inclusive and engaging learning environments that foster reflection, growth, and real-world application.

Gráinne is a qualified coach and mentor, a Chartered member of the Chartered Institute of Personnel and Development (CIPD), an accredited Insights Discovery and MBTI practitioner and a Strengthscope Master Practitioner.
