# Internationalisation at Warwick

Research show those who undertake international study or work experiences are:

- **9%** more likely to gain a 2:1
- **24%** less likely to be unemployed
- **9%** more likely to be in a graduate job six months after graduation
- **5%** higher earnings after six months of graduation

# YEAR ABROAD

**UNIVERSITY  
OF WARWICK**

# Introduction

## **During Term Time**

### Year Abroad

(study or work,  
combination of both)

## **Outside of Term Time**

### Short Term Mobility

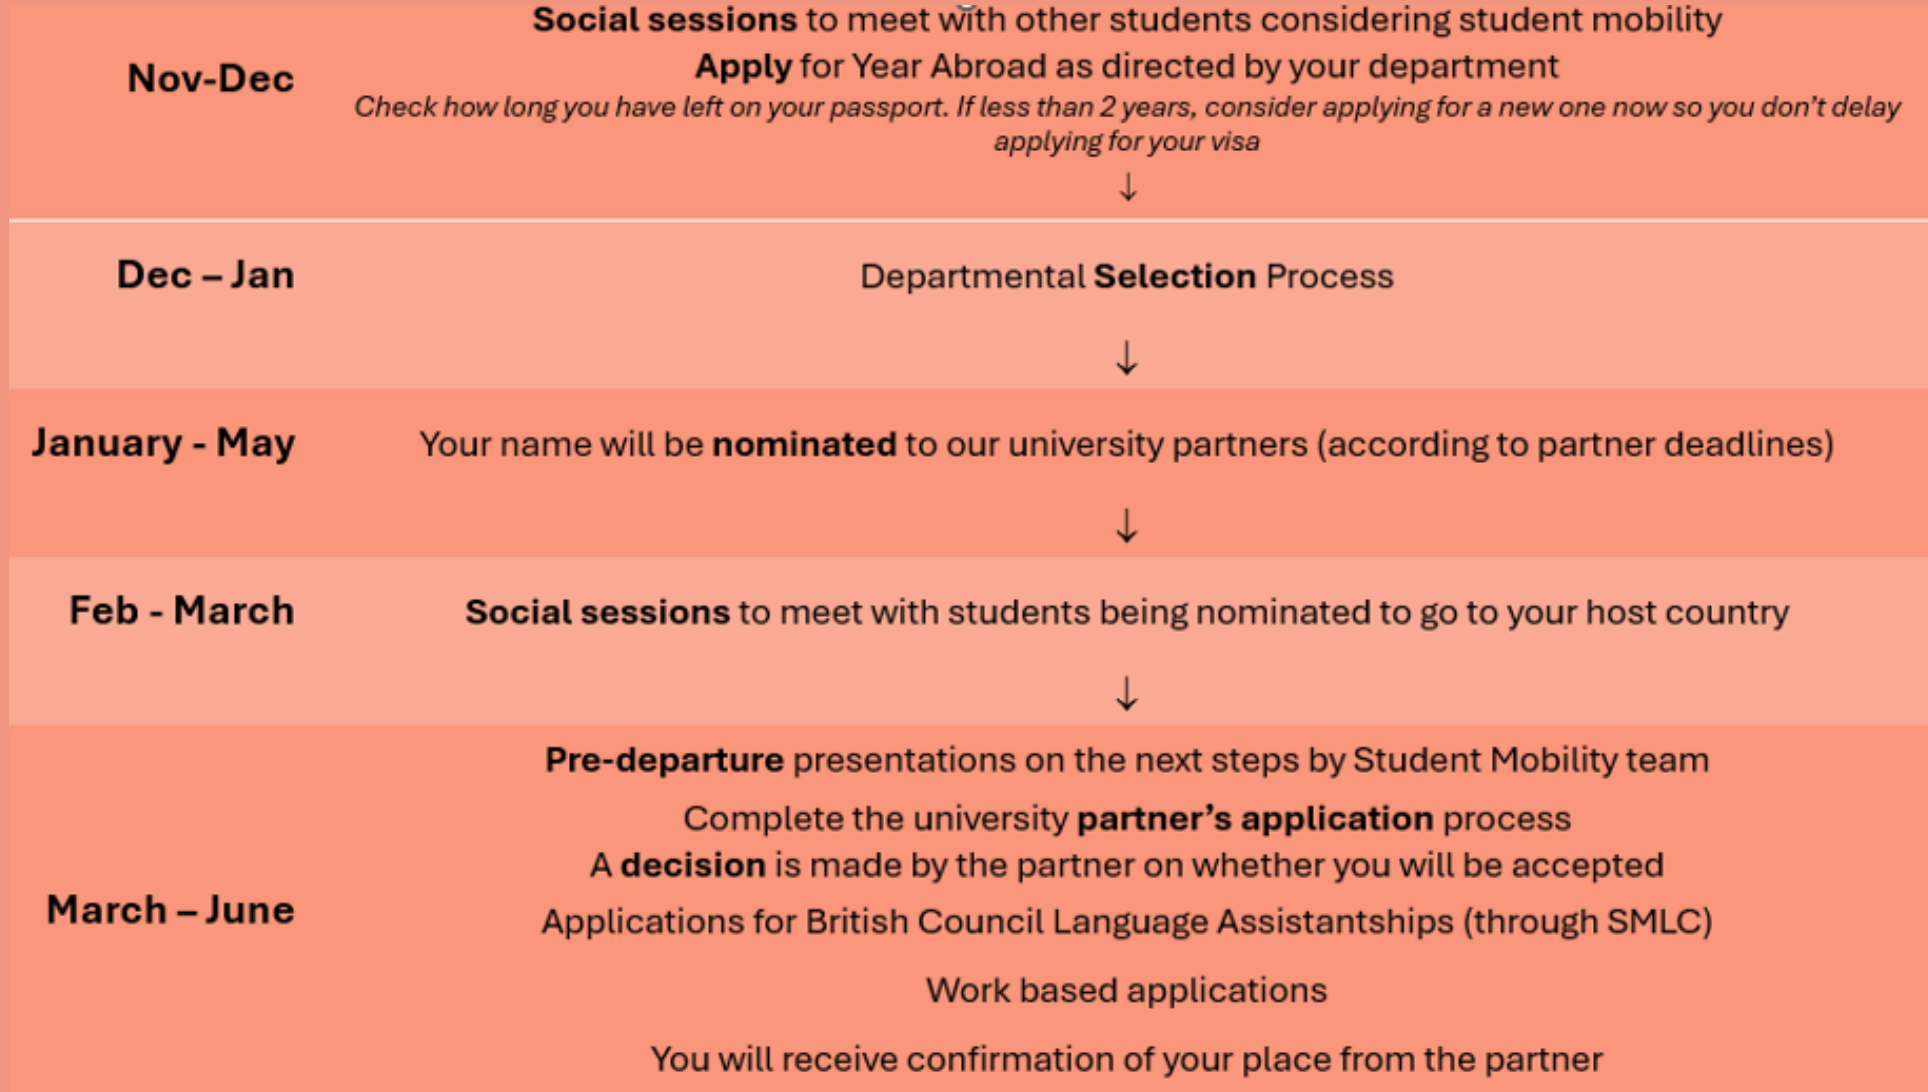

(study, work,  
volunteering or  
research)

**IN-PERSON or VIRTUAL  
opportunities**

## **Important Year Abroad information:**

- For most students, Year Abroad **adds a year** on to your degree length.
- Most students go abroad in **3<sup>rd</sup> year**, then return to Warwick for final year – you are not allowed to go in your final year.
- Academic minimum requirement: **2:1** from 1<sup>st</sup> year (most departments require this).
- Each department has agreements with different partner universities.
- If interested in a study placement, you can **ONLY apply from your department's selection** of partner universities.
- Check with your Departmental Student Mobility Coordinator whether you can do an overseas **work placement** on your mobility year (depends on your degree regulations).
- Check with your department whether you can do a split placement. If you can, consider: 1. costs (travel, accommodation, visa); 2. logistics (term dates, exam times, sorting your placements out)

# Timeline

# How to Apply

- 1) Your Departmental Student Mobility Coordinator will provide you with details on your specific **opportunities in November**.
- 2) Your Department will have **specific requirements** and their own **selection process** to ensure you have a suitable placement.
- 3) Where applying for a study placement, students are usually asked to choose your **top 3 departmental placements** and provide a statement in support of your choices.

Student Mobility FAQ's available [here](#)

# How to Apply

- 4) Applications are **assessed** and places **allocated** by your **Departmental Student Mobility Coordinator**.
- 5) If you are permitted to undertake **two placements** in a year, it is your responsibility to ensure the terms/semesters have **compatible** dates. It is not possible to leave one placement early to go to your next placement. Also, you need to ensure that you meet any **language requirements**.
- 6) Mobility is recorded on **e-Vision**. Always make sure the details of your placement are up to date.
