

**Welcome to the University of Warwick!**

On behalf of the International Office at the University of Warwick, Welcome! We are delighted that you have chosen to study with us and hope you will have an exciting and challenging time. This year we have over 450 study abroad students joining us here from many different countries including China, Japan, USA, Canada, Chile, France, Germany, France, Italy, Spain, to name a few.

Whether you are studying at Warwick for one term or for the full-year, I hope you will find time to become involved in the many activities and societies Warwick has to offer. Across the campus there are many cafes, restaurants and a great Students' Union which has over 200 student-led societies and 70+ sports clubs. Our dedicated Study Abroad Team are here to help with any queries and we would be happy to help you as you settle into the University.

You will also find a wealth of information in the four guides designed to help you in your first few weeks at Warwick:

We hope you have a fantastic study abroad experience, and look forward to meeting you over the next few weeks.

Kind regards,
