INBOUND TO WARWICK_PLANNING YOUR PLACEMENT 2021/2022

HELPFUL HINTS

1. You must APPLY through your Exchange/Study Abroad/Erasmus+ co-ordinator at your home University
2. If you are successful your home Exchange/Study Abroad/Erasmus+ co-ordinator will nominate you to Warwick
3. Warwick’s nomination and application process has just opened
4. If you have been nominated, we will email you (direct) using the email we are given by your home Exchange/Study Abroad/Erasmus+ co-ordinator soon to let you know what the next steps are

If you have had confirmation from your home institution that they have/will be nominating you, you might want to investigate the website for the academic department you will be based in and look at what modules might be on offer. REMEMBER, just like at you home, modules are not guaranteed ‘year on year’ and are not confirmed to be running until they are published for registration. If you consider more modules than you need you should be able to make sure that you will be able to have some of your choices when the modules are made available.
