

UK Bank Details

For UK accounts please log in to e:vision - www.warwick.ac.uk/go/e:vision. Click on “My Student Finance” on the top bar, then “Providing Your Bank Details”, then “Collecting Bank Details for Payments to Students” and follow the instructions. When you have to select options from a drop-down box, the one to choose is the one called “UG payments (departmental awards for undergraduate students only, including URSS).” Please note you can only submit bank details for UK bank accounts to be paid in sterling via this online system. To be paid in euros to a non-UK account please use our EU bank details form.
