## Part-Year Module Handbook 23/24

Please note that visits involving taught modules are possible, but they will have to be agreed on a case-by-case basis according to which modules you are specifically interested in undertaking. Please get in touch with Dr. Paolo Coppo (P.Coppo@warwick.ac.uk) for further details.

## **Department: CHEMISTRY**

Modul	e	Method of Assessment/CATs Credits								
Code	Title	Full CATs credits	Autumn Term Only	CATs credits	Autumn & Spring Terms	CATS Credits	Spring Term Only	CATs credits	Spring & Summer Terms	CATs credits
CH3E2	Research Project	30/60	Written report	30	Written report	60	Written report	30	Written report	60
CH3F3	Advanced organic, inorganic and physical chemistry	30	Not available	NA	Exam	30	Not available	N/A	Not available	NA
CH3F4	Molecular structure and dynamics	15	Not available	NA	Exam / assessed workshops	15	Not available	N/A	Not available	NA
CH3F5	Bioorganic chemistry	15	Not available	NA	Exam / assessed coursework	15	Not available	N/A	Not available	NA
CH3F7	Energy	15	Not available	NA	Exam	15	Not available	N/A	Not available	NA
CH3F6	Polymer and colloid science	15	Not available	NA	Exam	15	Not available	N/A	Not available	NA
CH3F8	Advanced Coordination and Bio- Inorganic Chemistry	15	Not available	NA	Exam	15	Not available	N/A	Not available	NA
CH3F9	Molecular pharmacology	7.5/15	Not available	NA	Assessed work	7.5 / 15	Not available	N/A	Not available	NA
