

# A safe and inclusive environment

**Wellbeing and Student Support** are here to help and assist you. We want the space to be a safe place for you, and also the people who work here. We may not be able to help if:

- You pose a risk of harm to yourself or others
- You are under the influence of substances, such as alcohol or illicit drugs
- You are found to be in possession of any items which may harm yourself or others
- You do not comply with the **Student Behaviour Misconduct policy**

We request that everyone is treated with respect at all times – thank you for your understanding.

**UNIVERSITY  
OF WARWICK**
