Document Audit

Document Version Number	1.0
Last Updated	10 March 2022
Updated By	T Such
Changes since last version	DFP-24 now called 'Law', new module of <i>either</i> Politics and International Relations OR History replacing the core of Politics and International relations, new half modules in Introduction to Criminal Law and Introduction to Data Protection (replacing understanding Society), Contract and Tort Law replace Constitutional Law and Human Rights. All other routes remain unchanged from 2021-22. DFP-19 is now called Physics and Engineering.
Approval Status	Approved by the Education Committee by correspondence on 16/03/2022
