

# Am I eligible for a CAS for the Pre-sessional English Course (Phase 4 & 5 in the summer)

(for International students who require a Tier 4 visa to study in the UK)

Guidance issued by: Immigration Service, University of Warwick, Version 4, Last updated: 28/02/18

\* This includes where your 'IELTS for UKVI' meets the English language offer condition, or, where your 'IELTS for UKVI' does not meet the English language offer condition but the Admissions team has confirmed with your academic department that they are happy for you to meet the offer condition by attending the Pre-sessional English language course, instead of re-taking an English language test.

Please note that your Eligibility for a CAS is subject to other criteria and full assessment will be made as part of the CAS assignment process which will normally start 2-3 months prior to the PSE course start date (For more details, see [www.warwick.ac.uk/immigration/visas/student/cas](http://www.warwick.ac.uk/immigration/visas/student/cas)).
