Hello and welcome to the WBS Live Chat.
Chatting with you today are Meghan, Recruitment and Admissions Coordinator and student ambassador Deborah, who can offer personal insight as to what it is like studying at Warwick Business School.
We are here to help you with any queries you may have about studying at Warwick Business School.

Hi Everyone, my name is Deborah and I am a second-year International Management student.
Feel free to ask me any questions regarding student life at WBS!

Hello, I would like to join your university with the erasmus program next year. Do you know where I can find the list of the courses available for international student in this case? You're welcome. Mathilde

Hi, this sounds very exciting! Unfortunately, we cannot confirm right now as it is a whole year away and things are subject to change. However, nearer the time you will be sent detailed information in regards to module details.
At WBS we offer a diverse variety of undergraduate programmes, the undergraduate programmes are BSc Accounting and Finance, BSc International Business with Languages, BSc International Management and BSc Management.

Our BSc International Management and BSc International Business with Languages programmes are 4 year programmes that include the opportunity to study abroad/apply for a placement year within the 3rd year. However, our BSc Management and BSc Accounting and Finance undergraduate programmes are 3 years in length. However, can be extended to 4 years when students apply for a year abroad/ work placement.

Hello, I would like to join your university with the erasmus program next year. Do you know where i can find the list of the courses available for international student in this case? You’re welcome, Mathilde

We can’t confirm the course availability for next year just yet, but here is a the Handbook for Exchange students who have started this year.
In this you will find all the relevant information regarding your time at Warwick.

Thank you very much!

Here at WBS we are very proud of our rankings.

regarding all the available modules you can choose as electives:
https://warwick.ac.uk/study/studyabroad/inbound/moduleinformationandcredits/wbs_up_exchange_module_availability_cheat_sheet_1920_.pdf

Hi, I have applied to BSc International Management (with study abroad) programme for Fall 2020. I would like to know what is it like to be a student studying in this programme? And also, are there any details for the exchange opportunities available? thanks!

For Accounting and Finance, The structure for this course depends on which modules you take throughout the three years, based on where you would like to specialise your studies. There are three options to choose from: the accounting and finance specialism, the accounting specialism or the finance specialism.

on the side, you can see, course modules with A are for the Accounting specialism, F for the Finance specialism and AF for the Accounting and Finance specialism
Hi, I have applied to BSc International Management (with study abroad) programme for Fall 2020. I would like to know what is it like to be a student studying in this programme? And also, are there any details for the exchange opportunities available? thanks!

Hi Lau, I am currently in my second year here at WBS and I am more than happy with my choice of university. Warwick doesn't just offer you help regarding your academic career, but gives you support in all other segments of your life. Regarding the course: I think it is the perfect course if you are not yet sure on which segment you want to specify in within the filed of business. In your first year you will learn a wide variety of modules including Finance, Accounting, Marketing and Statistics, which will give you a little insight to all the possible path ways you can go form your second year. From your second year you are free to choose up to 6 of your modules which will let you to study the things that actually interest you.

The year abroad can be a study (at one or two institutions overseas), work placement or the combination of study and work these are our partners in Europe for the study abroad year.

Hi, I have applied to BSc International Management (with study abroad) programme for Fall 2020. I would like to know what is it like to be a student studying in this programme? And also, are there any details for the exchange opportunities available? thanks!

about the exchange opportunities: They are ever changing, and the Student Mobility team is always working on expanding the options we can choose from. Look at the presentation to know more about the ones that WBS currently have.

These are our partners in the USA
and finally, these are our partners in the rest of the world

Thank you so much!

Our Management programmes are very flexible, the first year enables you to build fundamental knowledge of business, whilst the variety of elective modules in the second and third year enable you to tailor your experience to meet your interests, development needs and career aspirations.

Thank you so much!

Do you have any more questions?

Students are able to tailor their programme and specialise in 4 different pathways: Finance, Marketing, Digital Business or Entrepreneurship. For the Management degree, depending on which pathway students take, the final graduating degree title will reflect the pathway choice. I.e. students will graduate with BSc Management with Finance, or BSc Management with Marketing, or BSc Management with Entrepreneurship or BSc Management with Digital Business

So for the first year, I would have the chance to attend all the courses listed on your website, is that right?

All those under “Year 1”
So for the first year, I would have the chance to attend all the courses listed on your website, is that right?

During the first year, you would be expected to attend all of your compulsory module lectures/seminars.

All those under "Year 1"

Yes, you would attend all of the modules under the year 1 section.

Same pathways for BSc Management are also available for International Management degree also

The BSc Management and BSc International Management degree are almost identical, as you can see from the module set ups. However BSc International Management is a 4 year degree with one year compulsory study or work placement abroad.

I see, thanks

We also offer BSc International Business with Language, for this course, language is compulsory part of the degree, students also need to have A level equivalent in that Language, i.e. German, Spanish, French or Italian. But the language cannot be the student’s first language. i.e. a French student cannot study the BSc International Business with French, but they can study BSc International Business with German if they have studied German at High School.

I see, thanks

Any other questions? Feel free to ask anything, and we will try our best to answer!
Same as the International Management, International Business is a 4 year course with study abroad opportunity built into the degree.

For International Business, our partners are based mainly in Europe and students will need to spend the year aboard at the country where their chosen language is used.

What do you think is the most challenging part of being a student at WBS? Thanks!

The most challenging thing I would say... is being in a Russel Group school. When you will start attending WBS you will realise that it is not like high school anymore, you will have to work harder than you did before and will always have to try to do your best - if you want to stand out. You will be surrounded by students just as motivated and hard-working as you are. So it can be challenging at times. But it gives you a degree and experience that will be acknowledged and highly appreciated by all employers, so it is all worth it in the end.

Our Partner Institutions

Europe

North America

We have partners in Europe and North America.

However we do have partners in the Americas for the International Business Degree too.

There is a variety of support available at WBS, all academic staff are situated in the building and have office hours for students to book an appointment to see them if they need support. Additionally, the university as a whole provides a variety of support for students such as study skills sessions.
Undergraduate placement and internship opportunities

https://youtu.be/vQA1XA1YtTA

Our careers service is very popular, as we really encourage students to take work placement during their studies and the careers team at WBS provide great support to our students. This video might give you an idea of what's available in terms of work placement and internships.

Was there anything that were different from what you expected at WBS, like academically or the community? Thanks.

Thanks for the video, it's really helpful!

You're welcome.

And will there be any interviews for this programme?

We don't hold interviews.

Was there anything that were different from what you expected at WBS, like academically or the community? Thanks.

As it is a UK university, I have expected it to be full of English students, which surprisingly wasn't the case. WBS is one of the most ethnically diverse schools at the university. It is a great thing as you will always be able to find someone form your own nationality, but it also gives you an opportunity to get to know other cultures and work with students who come from different backgrounds and countries. This will significantly increase your negotiation skills and understanding of other cultures.

Also, is there anything such as school visiting that I can do now that would increase my chance of admission?

Oh I see, may I ask are you a local in the UK?

No, I am an international as well. When not here at Warwick I live in Hungary.
Also, is there anything such as school visiting that I can do now that would increase my chance of admission?

We receive all applications via UCAS, and will then look through the applications fairly, make a decision and then inform UCAS who will then inform the student.

Ok thanks

As an international, do you find it difficult to study International Management at WBS? Because I have heard of cases where some international students find it hard to study about the systems of other countries. Thanks

For accommodation, are First-year undergraduate students guaranteed an on-campus space? I saw on the website that I can apply after receiving the offer, is that correct?

As an international, do you find it difficult to study International Management at WBS? Because I have heard of cases where some international students find it hard to study about the systems of other countries. Thanks

I genuinely enjoy studying here, I don’t think anyone has any struggles understanding the modules we study.

And if I have further questions about WBS or the International Management programme, would there be an email I can send my enquiries to? Or how should I contact someone? Thanks

For accommodation, are First-year undergraduate students guaranteed an on-campus space? I saw on the website that I can apply after receiving the offer, is that correct?

Those first years who put Warwick as their firm choice, and apply for accommodation before the deadline are most likely to gain campus accommodation

I see, thank you!

Again, Should you wish to contact us for any further queries, live chat us Tuesdays from 3:30pm - 4:30pm and Fridays from 09:30am - 10:30am, you just need to go on our WBS undergraduate page during those time for the live chats. Alternatively, our email address is: wbsugenquiries@wbs.ac.uk and number +44 (0)24 7615 1111.

Where can Warwick Business School take you?

https://youtu.be/JsjlfNeOxIE
We are going to end the chat soon, does anyone have any last questions?

Good bye.

Good bye and have a nice day:) Thank you for answering all the questions!

Bye, hoping to see you next year at WBS!
