

Make a difference this summer ...

Work on one of our Summer Schools!

We are recruiting Summer School Ambassadors for the following Summer Residentials:

- 11 – 14 July 2022: Pathways to Banking & Finance Summer Conference
- 22 – 25 August 2022: Pathways to Law Summer Conference
- 23 – 26 August 2022: Sutton Trust Summer School
- 24 – 26 August 2022: Warwick Scholars Residential

PLEASE NOTE: Since Warwick is hosting athletes during the Commonwealth Games and the Children's Games are happening once those are finished, three of our events are taking place in the same week.

Whilst the roles are consistent across all these events, please read the relevant job descriptions to discover the finer details and differences between the programmes.

You can indicate a preference for a particular summer school in your application. We will try to take these into account when making the final decisions after the selection event but cannot guarantee that you will be allocated your preferred residential.

Good luck & we look forward to working with you this summer 😊
