

# 52-Week Campus Accommodation FAQs

The University of Warwick offers 52-week campus accommodation to independent students who are care leavers, are estranged from their parents or are Undergraduate Sanctuary Scholars. We have included some additional information about this accommodation package below to help you with your choices.

## How does 52-Week on-campus accommodation work?

Students who are eligible for on-campus accommodation for 52-weeks are offered a term-time room plus summer vacation accommodation. For a typical student, this includes:

If you have any questions about the 52-week campus accommodation package, please contact the WP Lifecycle Team at [lifecycleteam@warwick.ac.uk](mailto:lifecycleteam@warwick.ac.uk).

## Is the accommodation free?

No, students are required to pay for this accommodation. You can find out more about term-time room rates for 2024/25 online [here](#) (please note that rates change each year so please look at this webpage regularly for 2025/26 rates).

Rates for Summer Vacation rooms and September 'Gap' rooms vary each year. As a guide, rates for Summer 2024 are: £18/night for a standard room (with shared bathroom and kitchen facilities) and £26/night for an en-suite room (with shared kitchen facilities).

Care leavers, Estranged students and Undergraduate Sanctuary Scholars are eligible for a range of financial support packages from the University to help with living costs. You can find out more about this funding support online at:

- [Independent students who are Care Leavers](#)
- [Independent students who are Estranged](#)
- [Undergraduate Sanctuary Scholars](#)

## How do I book/arrange this accommodation?

If you are offered a place at Warwick, you will be contacted by the University's Accommodation Allocations Team to explain more about how to apply for a term-time room. Summer Vacation rooms are bookable online and you will be contacted about how to book a room once you start your studies. Our Widening Participation Lifecycle Team and Accommodation Allocations Team will support you to access both Summer Vacation accommodation and September temporary accommodation.

## What are my options after Year 1?

Returning students are able to book 'returner' campus accommodation for Year 2 and beyond once they start their studies at Warwick. Bookings usually open towards the end of Term 1 of your 1<sup>st</sup> year and the Widening Participation Lifecycle Team and Accommodation Allocations Team will support you to access this.

Alternatively, some students decide to live off campus after their 1<sup>st</sup> year. There is more information about this option online [here](#) and Warwick's Students Union runs a Housing Day each year towards the end of Term 1 to offer advice and guidance to students who are considering this option.

*Please note that many private landlords require details of a **guarantor** in order to secure a tenancy if you decide to live off campus after Year 1 and rent privately. A guarantor is a third party, for example a family member, who agrees to pay the rent if for any reason you can't. Some independent students and Sanctuary Scholars aren't in a position to provide a guarantor and we encourage students to [seek support](#) from the SU Advice Centre if this happens. We also encourage independent students and Sanctuary Scholars to consider on-campus accommodation for the duration of their course.*

## **What other help/support is available?**

The Widening Participation Lifecycle Team and Accommodation Allocations Team are on hand to support independent students and Sanctuary Scholars to navigate through the 52 week on-campus accommodation process. Students receive regular reminders about booking a Summer Vacation room, for example, and are contacted directly about September temporary accommodation.

## **Where can I find out more about the University's Accommodation and Halls of Residence?**

We would encourage you to visit Warwick on one of our Open Days so that you can speak to our Accommodation Allocations Team and Widening Participation Lifecycle Team directly. If you are an offer holder, you will receive more information about our Offer Holder Open Days from the central university. We would also encourage you to have a look at the information on Warwick's [Accommodation webpages](#).
