

Over the past 10 years RO has

10 YEARS

REALISING OPPORTUNITIES
Working Together | Supporting Talent

1

Had alternative offers available for over **6,000** courses at our RO Partner universities, across the full range of subject disciplines

2

Been an innovative and unique model of successful collaboration which has had positive impact on the 8000 RO students, 500 schools and the 20 universities involved to date

3

Established a longitudinal evaluation which is able to demonstrate the impact of the programme, for example showing an increase in confidence of **85%** of RO students about going to university, and make a valuable contribution to the evidence base within the widening access sector.

4

Provided students with a vast array of information from a range of different sources from current students to academics via online Q&A's and face to face events. [Click here for Jessica's story.](#)

5

Offered enhanced access to leading universities across England through on campus events, live online Q&A's and contact with staff and students

6

Prepared students for success in higher education with **80%** of RO students receiving a good degree (first or upper second class). [Click here for Katie's story.](#)

7

Given students a head-start on their time at university by increasing their understanding of aspects such as independent study - over half report this positively impacted their degree result. [Click here for Mohammed's story.](#)

8

Helped students develop their skills and knowledge with **86%** of RO students feeling prepared for university life in general and **92%** for independent study

9

Produced students who go on to work or study after university at a higher rate than the national averages*

*HEAT Tracker 2019

10

Helped **92%** of programme graduates progress to higher education, **53%** to research intensive universities which represents higher rates than the national averages
