How to prepare & next steps

WARWICK
THE UNIVERSITY OF WARWICK

Code of Behaviour

- Make the most of the opportunity, you will get out as much as you put in!
- Attend all core sessions throughout the week
- Inform us if you're having any tech issues
- Have fun!

What you can expect from us

- The summer school will be a safe space
- Approachable, friendly, professional
- Available for contact in the lead-up and during the summer school
- Will inform you of any technical problems from our side

Next Steps

- Read all documents on the virtual welcome pack and complete the form to confirm you've read them
- Follow us on social media for mini challenges
- Keep an eye on the virtual welcome pack for important updates – including about any other pre-summer school events

Important Forms

Hear from last years students...

WARWICK
THE UNIVERSITY OF WARWICK

“My experience at Warwick was truly amazing and has provided me with an insight into what my chosen course would be like to study. Making me more confident with my choice.”

“I just want to say thank you to Warwick summer school, for giving me a strong foundation and knowledge about how universities function and what it feels like to be part of the university. it opened my mind and made me realise many things.”

“It was a great experience. Once again, thank you so much.”

**We look forward to working with you in
August!**
