WARWICK SCHOLARS

At Warwick, we believe that access to a world-leading university should be open to people from all backgrounds.

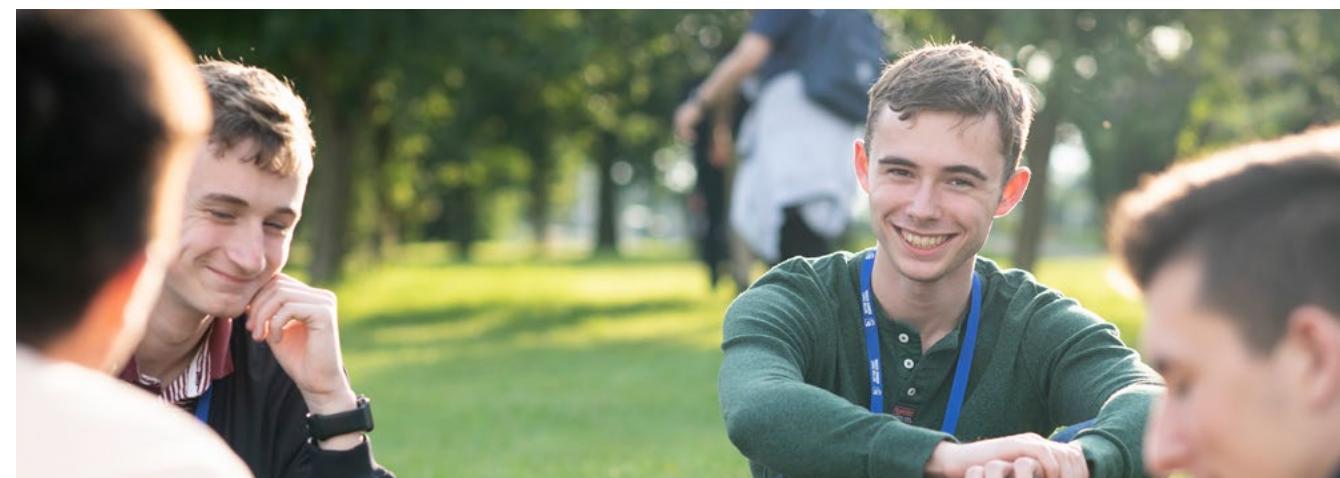

We are committed to supporting you to reach your academic potential and join us at a university that offers a strong challenge through teaching and research excellence. A place that encourages you to explore what inspires and excites you.

Warwick Scholars is designed to help you to gain a place at Warwick by supporting your academic achievement, developing skills that will help you to thrive, providing insight and experience of what it will be like to study at a world-leading university.

We are committed to you and your success and being a Warwick Scholar will require some time commitment from you - but this will be time well invested.

Programme activities are designed to complement your A level studies, enabling you to achieve the best possible grades. These activities will take place during school holidays as far as possible. All activities are completely free of charge, including travel and food for on-campus events, plus accommodation for any residential events.

// The Warwick Scholars programme has helped me in ways I never expected, massively alleviating the pressures surrounding applying to university."

BE PART OF SOMETHING

Becoming a Warwick Scholar will give you access to a range of support to enhance your post-16 studies, including:

One-to-one tutoring for one of your A level subjects

Visits to campus to work with the department to which you will be applying

Mentoring from a current Warwick student to guide you through the programme

A residential event in August, before you begin year 13, where you will stay in student accommodation and get your first insight into student life at Warwick (this may take place online if Covid restrictions do not allow it take place safely in-person)

A level revision support

In recognition of the commitment you'll be showing to Warwick by completing this programme, we will commit to you by offering a **guaranteed offer of between 2-4 grades below the standard entry requirements** for your chosen course. We believe in you and will support you towards reaching the standard entry grades - the alternative offer is designed to take the pressure off and enable you to do your very best, setting yourself up as well as possible for your future studies and career.

Warwick Scholars doesn't end there

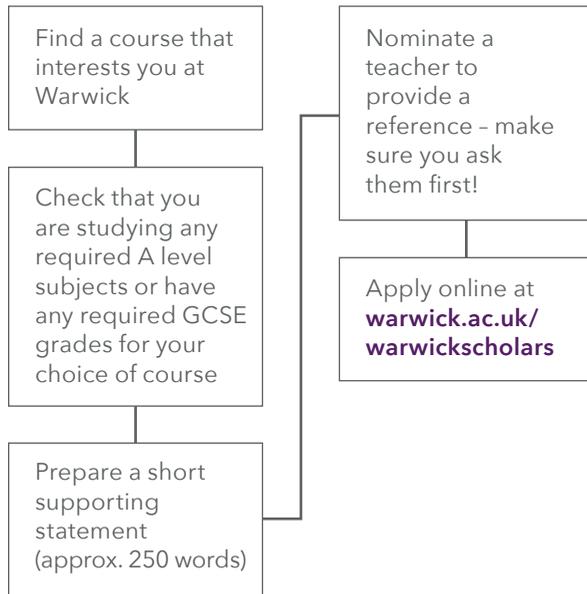

From results day to graduation we will support you in working toward your goals - offering advice and guidance, study skills development, study abroad opportunities and internships. You will also be invited to exclusive Warwick Scholars social events and activities designed by students for students. When you enrol at Warwick you will be invited to join our Warwick Scholars undergraduate programme, which provides additional opportunities and support as outlined in the wheel below.

When you enrol at Warwick as an undergraduate, you'll be given a **50% tuition fee discount** for each year of your course. In addition, you will receive a **bursary of up to £2,000 per year** dependent on your household income, which could help you with accommodation on campus or with the costs of commuting during your studies. If you are eligible for the Warwick Undergraduate Bursary, you will receive this in addition to the Warwick Scholars bursary.

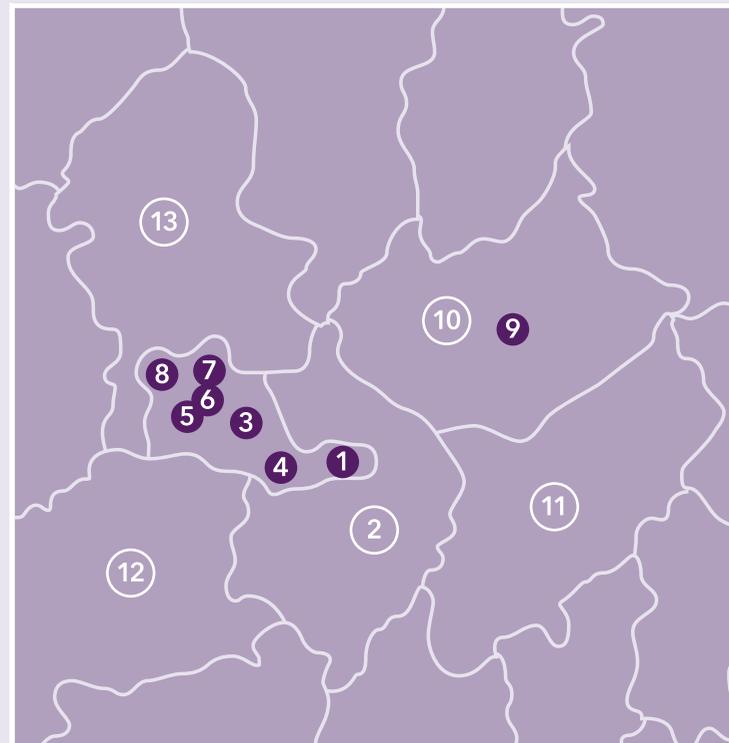

“On the launch residential getting to stay in accommodation and familiarise ourselves with the campus really helped to make the prospect of going to university seem more of a reality and much less daunting.”
