WARWICK STRATEGY

Warwick's Core Purposes

We begin with our aspirations in our core purposes of:

- Research
- Education

Our Four Strategic Priorities

Our Research and Education will be underpinned by four key strategic priorities:

1. Innovation
2. Inclusion
3. Regional Leadership
4. Internationalisation

https://warwick.ac.uk/about/strategy
Following on from the Gone International: Mobility Works research and building our pillar of inclusion, we are pleased to introduce an Equity Bursary: to help under-represented groups to take part in mobility

This year: 10 x £2,500 bursaries (*future awards may vary in funding*) Application will be open to all Monash nominations in early 2019.

https://warwick.ac.uk/global/mwa/news/monash_warwick_equity
The [UK Strategy for Outward Student Mobility](#) aims to double the percentage of UK-domiciled, full-time, first degree students who undertake international placements as part of their higher education programmes to just over 13% of students by 2020. This will create a new generation of global graduates, and a higher education culture in which international opportunities are an aspiration for all students.

Opportunities come in and are advertised on the study Abroad website.

An example would be in 2017 we were notified of the availability of 10 scholarships/places in Hong Kong with 1 week's notice.

Be prepared to act fast.
EUROPE

Czech Republic, Portugal, Switzerland, Hungary, Malta, Finland, Spain, Austria, Germany, Cyprus, Netherlands, Martinique, Italy, Republic, France, Belgium, Sweden, Denmark
WARWICK IN VENICE
STRUCTURE

- **Study**
- **Language Assistants** – France, Germany, Spain
- **Work**: depending on your degree
- **Combination**
- **Departmental specific** - i.e., Chemistry summer lab placements
PLANNING

Do you have an idea of which country you would like to spend your year abroad in:
think about:
  local culture
travel
weather
Vaccinations
Language: most exchanges require B2 level

Look at the FCO country website https://www.gov.uk/foreign-travel-advice

Remember to check what availability your department has at our partner Universities - confirmed annually
PLANNING

Please remember Warwick nominates you, the partner has the discretion to accept you. Materials must be supplied on time, and full details provided.

The guideline is that students must be at a 2:1 academic standing, you may not be able to go on placement if you do not reach this.
# Study Abroad Fees 2018-19

</tbody>
</table>

The 2018/19 year abroad fees for 2017/18 entry students are not yet confirmed. The University expects to increase fees in line with any inflationary uplift as determined by the UK Government, if permitted by law or government policy. It is anticipated that such increases will be linked to RPI (the Retail Price Index excluding mortgage interest payments).

Overseas Band 1 – classroom-based courses, including Humanities and most Social Science courses
Overseas Band 2 – includes laboratory-based courses, plus Theatre and Performance Studies, Economics, and courses provided by Warwick Business School, with exceptions

*Worldwide covers the whole world, including the UK.

[https://warwick.ac.uk/services/academicoffice/finance/fees/study_abroad_fees_18-19.pdf](https://warwick.ac.uk/services/academicoffice/finance/fees/study_abroad_fees_18-19.pdf)
TRAVEL GRANTS

Studying abroad: travel grants for students (England)

Contents
— Overview
— What you’ll get
— Eligibility
— How to apply

Overview
You may get a grant to cover some of your travel expenses if you normally live in England and:

• you’re studying abroad as part of your course, or on an Erasmus study or Erasmus work placement
• you’re a medical or dental student studying abroad or attending a clinical placement in the UK

You don’t have to pay back a travel grant. There are rules on eligibility and how much you’ll get.

There’s a different process if you’re a student from Scotland, Wales or Northern Ireland

https://www.gov.uk/travel-grants-students-england
CURRENT SPONSORSHIP

If you are currently being sponsored for your degree for instance by a government scholarship or an Institutional/Company sponsorship; other kinds of bursaries, you MUST check the terms of your funding.

NOT ALL SCHOLARSHIPS ALLOW YOU TO UNDERTAKE STUDY ABROAD
Consider what you can and want to do

Use all the resources that you can find, drop in sessions, other students

Apply through your department

Attend a PRE-DEPARTURE briefing

Nominations sent to partners by Study Abroad Team

Please note that all institutions have different deadlines and application processes. YOU MUST follow their instructions.

You will hear directly from your host – not all timescales and deadlines are the same

Plan your Accommodation – where, what are you looking for, sharing/on your own

Planning your travel – flying, driving, travelling with friends, travel grant?

Planning your modules or work plan, talk to your departmental co-ordinator to make sure that you are doing the ‘right’ modules or work placement

Arranging and planning your finances – student loan applications, etc.

Researching your destination, looking at orientation programmes and language support if needed
