

Travelling

Final Acceptance

- The final acceptance for your place at the partner is always subject to their approval and is not guaranteed
- Your host University will send you confirmation of your placement, by email or hard copy
- Warwick will confirm your end of year results – remember there is an overall expectation that you are at 2:1 level. If you have any concerns about this please get in touch with your departmental/academic Study Abroad contact
- Try to avoid booking your travel until you have received these final confirmations - to ensure that you are able to continue with your study abroad plans

Visa's

- If you require a visa to enter your destination country, you should receive support and information from your host. It may be that you require your offer of a placement, or another document to obtain your visa, your host will be able to help with this
- Think about timings for this, make sure you plan in enough time to get your visa before starting on your placement
- Investigate the process, some countries take longer than others, remember it could mean an appointment over the summer vacation
- Make sure you have all of your documentation together for your appointment

Wellbeing

WARWICK

Wellbeing Support Services (formerly Student Support Services)

Search Warwick

Student Support
Visit Student Support for practical advice and help accessing other services.

Mental Health & Wellbeing
Support for students experiencing a wide range of mental health and wellbeing issues and mental health disabilities.

Disability Services
Support for students with disabilities, specific learning differences or long term medical conditions.

Counselling Service
The University Counselling Service offers a range of services in a therapeutic context to help process and understand difficulties.

Residential Life
Information if you're living in campus halls and need guidance and support.

Sexual violence, hate crime and harassment prevention and support

Emergency information
If you require **emergency** support, please contact the Campus Security Control Centre on 024 7652 2222 or internally on 22222.

You are still a Warwick student even if you aren't on campus. You will be able to access:

- E-counselling
- Safety
- Hints and tips on dealing with practical issues

REMEMBER your personal tutor is still able to support you, keep in touch with them and your department

Studying abroad

If you're planning to study in another European Economic Area (EEA) country, you'll need to apply for a time-limited [European Health Insurance Card, or EHIC](#) (a "student EHIC").

To apply, you'll need to download the [EHIC application form \(PDF, 435kb\)](#) and return it to the NHS Business Services Authority. You can't apply for a student EHIC online or over the phone.

If you have any dependants, you'll also need to include them on your application.

Your student EHIC will be valid for the duration of your course. If you

Your student EHIC will be valid for the duration of your course. If you already have a regular EHIC, you'll need to return it when you apply for a student EHIC.

You may lose your entitlement to a UK EHIC if your circumstances change (for example, if you start working in the EEA country where you're studying).

In those circumstances, you may need to register for state healthcare in the country where you're studying or obtain private healthcare insurance.

[Follow EHIC on Facebook](#) for the latest updates from the NHS Business Services Authority and answers to your questions.

- Remember to register at a medical centre as soon as you arrive
- Research your destination: not all countries allow all medications into the country
- Speak to your own doctor to arrange for your medication to cover your time overseas, or at least until you plan to return
- Research cost of dental or eye treatment. Book appointments before you go
