Intercultural Training

1

**Before you
go abroad**

Intercultural
Awareness
Workshop

“It was so much more enriching than I expected! I will use it on my year abroad in Paris and when I talk about employment skills. I’m definitely going to do the whole programme!”

Intercultural Training

go abroad

Intercultural
Awareness
Workshop

2

During your
time abroad

Online modules
and reflective
exercises to
help you learn
from your
experiences

Module 1 - Intercultural Sensitivity: *Intercultural Experiences*

Module 1

Intercultural experiences

This section contains some short **video clips** where students talk about their experiences, and a **micro-task**.

Of the four who came to study in the UK as international students (Charlotte, Natasha, Mark and Gullia), two then went to study in different countries for the second year of their degree.

That's coming up after some introductory notes on cultural groups and memberships
