Mandatory Orientation Programme

The College of Business organizes a Mandatory Orientation Programme for inbound exchange students one week before the semester starts. Students must arrive in time to participate in all orientation sessions.

Each exchange student will be assigned a buddy whose contact information is available to exchange students before their departure from home. They are encouraged to contact their buddy before they depart and arrange a first meeting at the arrival point.

Insurance

It is mandatory for non-local students to have suitable and adequate insurance covering travel, personal accidents, medical expenses (accident and non-accident), hospitalization and emergency evacuation/repatriation throughout the entire period of their study in Hong Kong. Students are required to either purchase the insurance on their own before they leave their home city or, if they are unable to do so or wish to have additional insurance coverage, enroll in the Group Personal Accident and Medical Benefits Insurance Plan for Non-local Students contracted by the University.

All exchange students are required to indicate their insurance enrolment decision during the online pre-enrolment process, whether they wish to enroll in the insurance plan or not.
